

MAGGIE ITEMS.

The farmers of this section are taking fodder. Crops are very good here considering the dry weather. Fred Elliott is just finishing his new bungalow below Maggie. We had an excellent sermon by Rev. Chas. Mehaffey Sunday night, the 6th. The ice cream supper Saturday afternoon was with good success and

all enjoyed a good time. We thank God that through all the drought there has been plenty of good cold water and good cool air in the mountains of Maggie.

GRAHAM BROTHERS AGAIN LOWER PRICES.

Substantial Cut on 1-Ton Chassis.

Announcement of a reduction of \$100.00 in the price of Graham Brothers one-ton truck, effective September 9th, has been received by Haywood Garage, local Dodge Brothers dealer.

"So substantial a reduction in the price of this popular one-ton truck, coming less than four months after the announcement of a previous reduction of \$80.00," says O. R. Martin, "is in line with previous assurances that the truck buyer will always benefit equally with Graham Brothers in every economy effected through increased production."

"Graham Brothers, now first in the world as exclusive manufacturers of motor trucks, are able to make this second reduction and at the same time to make even further improvements in the quality of their trucks."

"In addition to their greatly increased production—their production for the entire six months of 1925 was equal to the entire output of 1924—the enlarged and improved facilities afforded by the new factory into which Graham Brothers moved July 1 have aided greatly in making possible these reductions in manufacturing cost."
