IF YOU GET UP NIGHTS YOU'RE OLD BEFORE YOUR TIME

Prostate and Bladder Trouble Makes Many Men Feel Twenty Years Older Than They Are.

It is said that fifty per cent of men past forty and many younger ones are victims of prostate trouble.

One of the commonest symptoms of this dangerous disease which saps vitality and makes you old before your time is the necessity of getting up several times a night.

Other symptoms are dull, draggy, aching at the base of the spine, pain in groin, burning sensation of organs, lack of vigor and frequent attacks of the blues.

But there is hope for you, no matter how old your case, from a wonderful new formula. It seemingly brings new health, vigor and freedom from these troubles to both old and young.

This wonderful treatment is known as Walker's Prostate Specific, and is prepared in convenient, pleasant tablet form. All you need do is take one tablet after each meal and the symptoms seem to vanish like magic.

To prove these statements the Walker Institute, 1295 Gateway Station, Kansas City, Mo., generously offers to send a \$1 treatment under plain wrapper, postpaid and free of charge to any sufferer who will write for it. If it cures you tell your friends and pay whatever you think is fair, otherwise the loan is ours.

Remember that you are the Judge, and you pay nothing now or at any time unless you wish, so send your name today before the introductory offer is withdrawn. It is good for only 10 days and guaranteed in every way.

PAINS ALL OVER

Lady Says She Took Cardui and Never Saw Such Improvement—Was So Weak Couldn't Stand.

Weathersby, Miss.—Mrs. James M. Hall, of this place, writes that she was "getting weaker all the time" when Cardui, the woman's tonic, was first brought to her attention. After she had taken Cardui a while, she writes that she "never did see such an improvement."

"I suffered all the time and had pains all over," says Mrs. Hall. "I was so weak I could not stand. My skin was cold and flabby. I did not have any color. I had always been a very active woman—used to outdoor exercise, walking and going where I pleased, and to get down, not able to get myself a drink, was indeed a hardship."

"Nothing seemed to help me, till I began on Cardui. The first bottle seemed to strengthen me, and I sent for five more. By the time I had taken these, I was on my feet, going around, doing my work, gained in health and strength."

"I took two more bottles, and I am well and strong. Can work my garden. I haven't had any more sickness."
