One who has had experience in ready to wear
and dry goods
Write or call giving salary expected and other particulars
A. M. SIMONS
THE PARIS, Sylva, N. C.
OR D. M. SIMONS, Waynesville, N. C.

**--It Is An Important Part
Of Your Ford.**

There is nothing more provoking than having to crank
your car on one of these cold mornings. Nine cases out of
ten the trouble is in the battery.

Batteries Are Just Like Folks!

They get their meals irregularly, suffer from under feed-
ing or indigestion, visit the the doctor too seldom---and
then mostly, when sick enough for bed.

We are battery doctors, bring your batteries regular for
inspection and recharging. The small cost of this service
does not justify you starting the day off in bad humor.

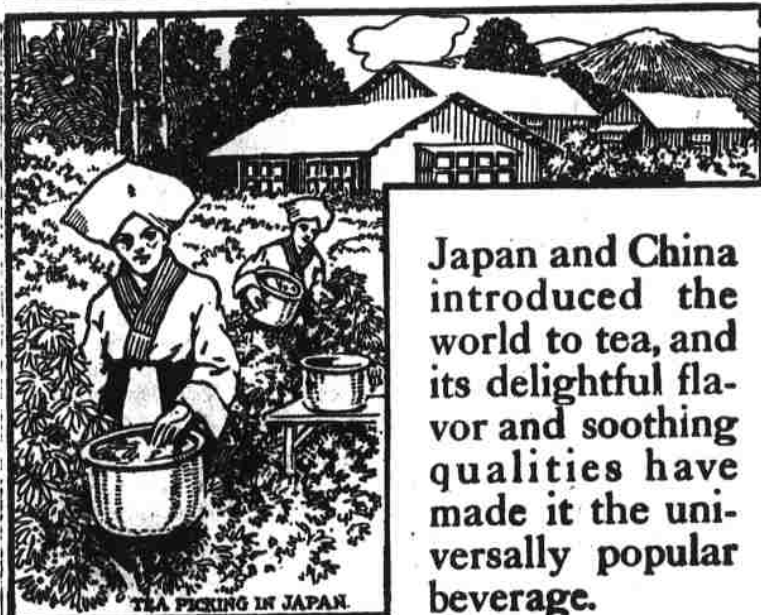

Genuine Ford Battery \$16.50

ATE TOO FAST

South Carolinian Took Black-Draught For Indigestion, and Says He Could Soon Eat Anything.

Ballentine, S. C.—Mr. W. B. Bouknight, of this place, gave the following account of his use of Theodor's Black-Draught.
"Just after I married I got indigestion. Working out, I got in the habit of eating fast, for which I soon paid by having a tight, bloated feeling after meals. This made me very uncomfortable. I would feel stupid and drowsy, didn't feel like working. I was told it was indigestion. Some one recommended Black-Draught and I took it after meals. I soon could eat anything any time.
"I use it for colds and biliousness and it will knock out a cold and carry away the bile better and quicker than any liver medicine I have ever found."
"Eating too fast, too much, or faulty chewing of your food, often causes discomfort after meals. A pinch of Black-Draught, washed down with a swallow of water, will help to bring prompt relief. Bloating sensations, eructations, bad breath and other common symptoms of indigestion have disappeared after Black-Draught has been taken for several days."
NO-164

LAMP CHIMNEYS, CURLING IRONS AND BATHS.

Electricity, since the building of Edison's first central station, has reconstructed mankind's whole scheme of existence. The United States has the best electric service in the world, and makes the widest use of it. It is being constantly improved and as electric and gas appliances are more widely used in the home, our standards of living advance, household work becomes easier and the American wife and mother has more time to devote to study and her children.

When we hear a lot about the wonders of the past, at a period when the family washing required two days of hard labor, when the old wood stove or coal furnace kept someone busy shoveling in fuel and carrying out ashes, when the lamps had to be filled and cleaned every day, toast made over hot coals which scorched one's face, hot water for a bath heated in a teakettle or a wash boiler and the curling iron covered with soot in a coal oil lamp, it is time to be thankful for the conveniences which electricity and gas have put into the modern home.

SURPRISE SUPPER.

On Thursday evening last friends of Mr. and Mrs. Gordon Shook gave them a surprise supper, this being their last evening in Clyde before going to Asheville where they will make their home in the future.

At seven o'clock friends and baskets began pouring into the big beautiful home of the Shooks, the guests were ushered into the living room, the baskets carried to the dining room and their delicious contents placed daintily upon a long dining table. At 8 o'clock the guests were quickly assembled about this big table laden with such a variety of tempting foods. Just before the guests were served Mr. F. E. Haynes, master of ceremonies, spoke very eloquently and fittingly of Mr. Shook's valuable service as a member of the board of aldermen of the town of Clyde, of his untiring efforts for the furthering of every cause that was for the betterment and progress of his home town, Clyde, in behalf of Mr. Shook's many friends, Mr. Haynes voiced their regrets in having to give up this splendid young couple.

At the close of the evening Mrs. Carstarphen presented Mr. and Mrs. Shook with a handsome electric peccolator and beautiful silver pyrex lined baking dish, as gifts from their fellow townsmen and their wives.

One and all wish them untold success in their new home in Asheville.
CLYDE CORRESPONDENT.

HILL-CLAYTON.

Friends in Waynesville have received with interest the following announcement:

Mr. and Mrs. Thaddeus Clayton of Sylva, North Carolina announce the marriage of their daughter Annie D.

to Mr. C. Ray Hill on Thursday morning, October the eighth at ten o'clock First Baptist Church Jacksonville, Florida.

SIMPLE MIXTURE MAKES STOMACH FEEL FINE

Simple buckthorn bark, magnesium sulph. c. p. glycerine, etc., as mixed in Adlerika, often helps stomach trouble in TEN minutes by removing GAS. Brings out a surprising amount of old waste matter you never thought was in your system. Stops that full, bloated feeling and makes you happy and cheerful. Excellent for chronic constipation. Adlerika works QUICK and delightfully easy. Waynesville Pharmacy.

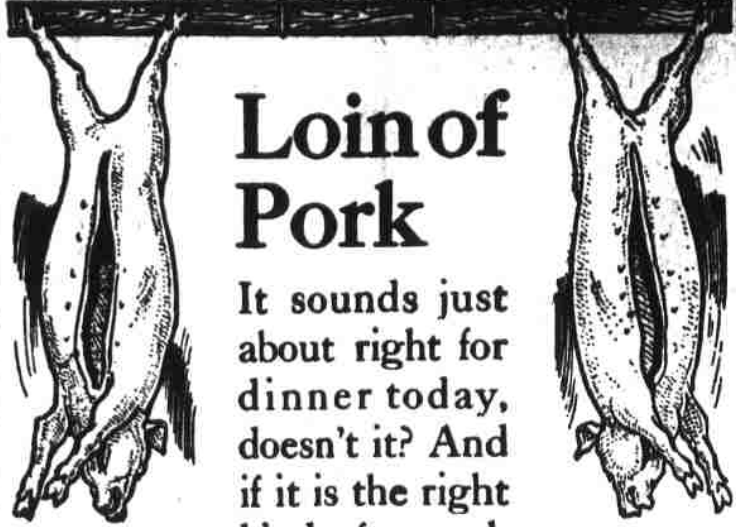

WHAT MY NEIGHBOR SAYS.

Is of Interest to Waynesville Folks.

When one has had the misfortune to suffer from backache, headaches, dizziness, urinary disorders and other kidney ills—and has found relief from all this sickness and suffering, that person's advice is of untold value to friends and neighbors. The following case is only one of many thousands, but it is that of a Waynesville resident. Who could ask for a better example?

Mrs. W. R. Davis, 1248 Killian St., says: "I think kidney trouble was caused from a cold settling in my kidneys. My back ached and when I bent over a sharp pain shot through me like a knife. I had blinding dizzy spells, too. Mornings I was tired out and lame and could hardly get around. I had nervous headaches and my kidneys didn't act right at all. I used Doan's Pills until I was entirely relieved."

OVER FIVE YEARS LATER, Mrs. Davis added: "I use Doan's occasionally, as a preventive and get the best of results."
