MY CARES.

The little cares that fretted me,
I lost them yesterday,
Among the fields above the sea,
Among the winds that play;
Among the lowing of the herds,
The rustling of the trees,
Among the singing of the birds,
The humming of the bees.
The foolish fears of what may happen,
I cast them all away,
Among the clover-scented grass,
Among the new-mown hay,
Among the husking of the corn
Where drowsy poppies nod,
Where ill thoughts die and good are
born,
Out in the fields with God.

YOU can't keep a good oil out

It works its way to every bearing surface

It forces rubbing surfaces apart, preventing friction. A good reliable oil without any frills. The kind that's used by engineers, who know a good oil when they see it.
