

**PASTOR WHO WAS BEFRIENDED
BY AN EMPEROR
SAVED BY PE-RU-NA.**

REV.
H. STUBENVOLL

Rev. H. Stubenvoll, of Elkhorn, Wis., is pastor of the Evangelical Lutheran St. John's Church, of that place. Rev. Stubenvoll is the possessor of two Bibles presented to him by Emperor William of Germany. Upon the fly leaf of one of the Bibles the Emperor has written in his own handwriting a text.

This honored pastor, in a recent letter to the Peruna Medicine Co., of Columbus, Ohio, says concerning their amous catarrhremedy, Peruna:

Peruna Medicine Co., Columbus, Ohio.

Gentlemen: "I had hemorrhages of the lungs for a long time, and all repaired of me. I took Peruna and was cured. It gave me strength and courage, and made healthy, pure blood. It increased my weight, gave me healthy color, and I feel well. It is the best medicine in the world. If anyone kept Peruna in the house it would save many from death every year."—H. STUBENVOLL.

Thousands of people have catarrh who would be surprised to know it, because it has been called some other name than catarrh. The fact is catarrh is catarrh wherever located, and another fact which is of daily great importance is that Peruna cures catarrh wherever located.

If you do not derive prompt and satisfactory results from the use of Peruna write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

Educational progress means religious good; it inculcates a love of truth that is not to be limited. The hope of the state is not in the cities or the big towns. The hope of the great future is dawning in the rural districts.—J. B. Carlyle.

Deafness Cannot Be Cured
by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.

Importance of Education.

There are some subjects about which one can never write or talk too much. Their importance and value to the public are so great that it becomes the duty of the press to keep eternally publishing something about them until their real importance and value are fully realized.

No subject is of greater importance to the people than that of education. We may have splendid railroad facilities but while every man appreciates conveniences of this kind and fully recognizes the worth of a good railroad system no one will deny that a good public school system is far more important and of a greater value to any community.

Intelligence is the life of any neighborhood. Fill up your section of the state with a lot of ignoramuses and you couldn't be hired to stay there, for you would be dissatisfied and unhappy. Let a state neglect the education of her young people and she discounts her standing in the civilized world. The days of "blissful ignorance" are fast passing away. Today, America is of such great importance to the civilized world that it is absolutely necessary for her people to be endowed with knowledge.

Anglo-Saxon Ornaments.

Some interesting Anglo-Saxon ornaments found on the skeleton of a woman dug up in a garden have just been presented to the Saffron Walden Museum, says the London Express.

They include richly ornamented anklets and wristlets and a necklet. The latter is composed of one pair of spherical rock crystal beads—considered in the early Saxon times by the wearer as great charms—a pair of glass beads, a pair of elongated beads in red carmelion stone, a pair of chased ancient silver beads, a pair of bronze pendants ornamented with Saxon chasing and filigree work, and a plain bronze pendant with four openings, as though it had contained choice stones.

A David Harum Trade.

There is a citizen in New York who decided to treat himself to a horse and runabout. In every case he insisted upon knowing the attitude of the prospective purchase in relation to automobiles. "I don't want my neck broken daily," he would say.

There was a horse that suited him. "I can warrant him on the automobile question," said the Jersey farmer who owned him. "I will guarantee that he will pass a dozen an hour all day long and never look at one of them."

"Will you give me a written statement to that effect?"

"I will."

"The sale was made. For once a Jersey man had told the truth in a horse trade. The horse was blind.

Origin of Ham and Eggs.

When Noah had all the birds corralled in the ark, Shem, Ham and Japhet, his three sons, made some famous collections of birds' eggs till Noah found out what they were doing by catching Ham robbing the great auk's nest. It was shortly after this incident that Noah made his famous bon mot about Ham and Eggs, the exact wording of which escapes us, but which was often recounted at the old settlers' dinners in the vicinity of Mount Ararat.—Minneapolis Journal.

The smartest man is often a wax dummy in the hands of a clever woman.

A nervous, irritable mother, often on the verge of hysterics, is unfit to care for children; it ruins a child's disposition and reacts upon herself. The trouble between children and their mothers too often is due to the fact that the mother has some female weakness, and she is entirely unfit to bear the strain upon her nerves that governing a child involves; it is impossible for her to do anything calmly. She cannot help it, as her condition is due to suffering and shattered nerves caused by some derangement of the uterine system with backache, headache, and all kinds of pain, and she is on the verge of nervous prostration.

When a mother finds that she cannot be calm and quiet with her children, she may be sure that her condition needs attention, and she cannot do better than to take Lydia E. Pinkham's Vegetable Compound. This medicine will build up her system, strengthen her nerves, and enable her to calmly handle a disobedient child without a scene. The children will soon realize the difference, and seeing their mother quiet, will themselves become quiet.

Mrs. May Brown, of Chicago, Ill., says:

"DEAR MRS. PINKHAM:—'Honor to whom honor is due,' and you deserve both the thanks and honor of the mothers of America whom you have so blessedly helped and benefited. I have used Lydia E. Pinkham's Vegetable Compound when I would feel run-down, nervous and irritable, or have any of the aches and pains which but few women escape, and I have found that it relieved me at once and gave me new strength. Several ladies, members of our Literary Union, speak in the highest praise of your Vegetable Compound, as they have been cured from serious female troubles. One lady, who thought she must submit to an operation, was cured without using anything in the world but Lydia E. Pinkham's Vegetable Compound and Sanative Wash. You have hosts of friends in Chicago, and if you came to visit our city we would delight to do you honor. Gratefully yours,—MRS. MAY BROWN, 57 Grant Place, Chicago, Ill.

How Mrs. Pinkham Helped Mrs. McKinny.

"DEAR MRS. PINKHAM:—I feel it my duty to write and let you know the good you and your Vegetable Compound are doing. I had been sick ever since my first baby was born, and at the birth of my second, my doctor, as well as myself thought I should never live through it. After that menstruation never came regular, and when it came I suffered terribly. I also had womb and ovarian trouble. A friend of my husband's advised him to get Lydia E. Pinkham's Vegetable Compound for me. At first I had no faith in it, but now nothing could induce me to be without it. Menstruation has become regular, and I feel like a new woman. Your medicine is a God-send to suffering women. I hope this letter will lead others to try Lydia E. Pinkham's Vegetable Compound. Yours truly, MRS. MILDRED MCKINNY, 28 Pearl St., San Francisco, Cal." (March 16, 1901).

FREESTATE, S. C., Aug. 18, 1902.
Gentlemen:—I had rheumatism for about twelve years. Great deal of the time I had to use crutches or cane. Was confined to bed, nearly helpless, three months at a time, several times. Last spring I began to take "RHEUMACIDE." I used two bottles before I noticed any benefit. Altogether I used seven bottles and the cure seems to be complete, as I have had no symptoms of rheumatism since. I can cheerfully recommend your medicine.
