

BOX OF WAFERS FREE—NO DRUGS—CURES BY ABSORPTION.

Cures Belching of Gas—Bad Breath and Bad Stomach—Short Breath—Bloating—Sour Eructations—Irregular Hours, Etc.

Take a Mull's Wafer any time of the day or night, and note the immediate good effect on your stomach. It absorbs the gas, disinfects the stomach, kills the poison germs and cures the disease. Catarrh of the head and throat, unwholesome food and overeating make bad stomachs. Scarcely any stomach is entirely free from taint of some kind. Mull's Anti-Belch Wafers will make your stomach healthy by absorbing foul gases which arise from the undigested food and by re-enforcing the lining of the stomach, enabling it to thoroughly mix the food with the gastric juices. This cures stomach trouble, promotes digestion, sweetens the breath, stops belching and fermentation. Heart action becomes strong and regular through this process.

Discard drugs, as you know from experience they do not cure stomach trouble. Try a common-sense (Nature's) method that does cure. A soothing, healing sensation results instantly.

We know Mull's Anti-Belch Wafers will do this, and we want you to know it. SPECIAL OFFER.—The regular price of Mull's Anti-Belch Wafers is 50c. a box, but to introduce it to thousands of sufferers we will send two (2) boxes upon receipt of 75c. and this advertisement, or we will send you a free sample for this coupon.

PAINFUL PERIODS
Suggestions How to Find Relief from Such Suffering.

While no woman is entirely free from periodical suffering, it does not seem to be the plan of nature that women should suffer so severely. Menstruation is a severe strain on a woman's vitality. If it is painful or irregular something is wrong which should be set right or it will lead to a serious derangement of the whole female organization.

More than fifty thousand women have testified in grateful letters to Mrs. Pinkham that Lydia E. Pinkham's Vegetable Compound overcomes painful and irregular menstruation.

It provides a safe and sure way of escape from distressing and dangerous weaknesses and diseases.

The two following letters tell so convincingly what Lydia E. Pinkham's Vegetable Compound will do for women, they cannot fail to bring hope to thousands of sufferers.

Miss Nellie Holmes of 540 N. Davidson Street, Buffalo, N. Y., writes:

Dear Mrs. Pinkham:—I had an ideal medicine for women. I suffered misery for years with painful periods, headaches, and bearing-down pains. I consulted two different physicians but failed to get any relief. A friend from the East advised me to try Lydia E. Pinkham's Vegetable Compound. I did so, and no longer suffer as I did before. My periods are natural; every ache and pain is gone, and my general health is much improved. I advise all women who suffer to take Lydia E. Pinkham's Vegetable Compound.

Mrs. Tillie Hart, of Larimore, N. D., writes:

Dear Mrs. Pinkham:—I might have been spared many months of suffering and pain had I only known of the efficacy of Lydia E. Pinkham's Ask Mrs. Pinkham's Advice—A Woman Best Understands a Woman's Ills.

Robin Kills an Adder.
In a vigorous battle between a robin and an adder 14 inches long, the bird killed the snake. The fight took place in the garden of George S. Jones, in Leominster, Mass., and was seen by John A. Hannis and others. The robin had a nest of little ones in an apple tree near the garden. When the snake wriggled across the field toward the tree the bird swooped down and attacked it vigorously with claws and bill, aiming its attacks at the head of the adder, which spat and hissed, but was soon put out of the battle. Not, however, on the first round, as it gradually came to after the robin had left it and began to move. The bird discovered the motion and new again at the snake, not leaving it until it was dead.—Boston Globe.

He Was Detained.
"I'd have been out ten days sooner," said the man, who had just been liberated from prison, "if it hadn't been for the chaplain."
"And what did he have to do with it?" was asked.
"It was him that had me detained up there. He comes to my cell one afternoon to see how I was getting on, and after a little he asks:
"And what crime did you commit, my man, that they sent you here?"
"It was highway robbery, your reverence," says I, "and now give me your confidence and tell me what you are in for."—Cleveland Plaindealer.

Josh Billings must have foreseen the noble roster of subscribers in "Fads and Fancies" when he wrote: "An American aristocrat is the most ridiculous thing in the market. They are generally ashamed of their ancestors, and if they have any and live long enough they generally have citizen's teeth be ashamed of their posterity."

MILK CRUST ON BABY

Lost All His Hair—Scatched His Blood—Nan—Grateful Mother Tells of His Cure by Cuticura For 75c.

"When our baby boy was three months old he had the milk crust very badly on his head, so that all the hair came out, and it itched so bad he would scratch until the blood ran. I got a cake of Cuticura Soap and a box of Cuticura Ointment. I applied the Cuticura and put a thin cap on his head, and before I had used half of the box it was entirely cured, his hair commenced to grow out nicely again, and he has had no return of the trouble. HIGH CLASS DRUGGISTS AND — OTHERS.
The better class of druggists, everywhere, are men of scientific attainments and high integrity, who devote their lives to the welfare of their fellow men in supplying the best of remedies and purest medicinal agents of known value, in accordance with physicians' prescriptions and scientific formula. Druggists of the better class manufacture many excellent remedies, but always under original or official names and they never sell false brands, or imitation medicines. They are the men to deal with when in need of anything in their line, which usually includes all standard remedies and corresponding adjuncts of a first-class pharmacy and the finest and best of toilet articles and preparations and many useful accessories and remedial appliances. The earning of a fair living, with the satisfaction which arises from a knowledge of the benefits conferred upon their patrons and assistance to the medical profession, is usually their greatest reward for long years of study and many hours of daily toil. They all know that Syrup of Figs is an excellent laxative remedy and that it gives universal satisfaction, and therefore they are selling many millions of bottles annually to the well informed purchasers of the choicest remedies, and they always take pleasure in handing out the genuine article bearing the full name of the Company—California Fig Syrup Co.—printed on the front of every package. They know that in cases of colds and headaches attended by biliousness and constipation and of weakness or torpidity of the liver and bowels, arising from irregular habits, indigestion, or over-eating, that there is no other remedy so pleasant, prompt and beneficial in its effects as Syrup of Figs, and they are glad to sell it because it gives universal satisfaction.
Owing to the excellence of Syrup of Figs, the universal satisfaction which it gives and the immense demand for it, imitations have been made, tried and condemned, but there are individual druggists to be found, here and there, who do not maintain the dignity and principles of the profession and whose greed gets the better of their judgment, and who do not hesitate to recommend and try to sell the imitations in order to make a larger profit. Such preparations sometimes have the name—"Syrup of Figs"—or "Fig Syrup" and of some piratical concern, or fictitious fig syrup company, printed on the package, but they never have the full name of the Company—California Fig Syrup Co.—printed on the front of the package. The imitations should be rejected because they are injurious to the system. In order to sell the imitations they find it necessary to resort to misrepresentation or deception, and whenever a dealer passes off on a customer a preparation under the name of "Syrup of Figs" or "Fig Syrup," which does not bear the full name of the California Fig Syrup Co. printed on the front of the package, he is attempting to deceive and mislead the patron who has been so unfortunate as to enter his establishment, whether it be large or small, for if the dealer resorts to misrepresentation and deception in one case he will do so with other medicinal agents, and in the filling of physicians' prescriptions, and should be avoided by every one who values health and happiness. Knowing that the great majority of druggists are reliable, we supply the immense demand for our excellent remedy entirely through the druggists, of whom it may be purchased everywhere, in original packages only, at the regular price of fifty cents per bottle, but as exceptions exist it is necessary to inform the public of the facts, in order that all may decline or return any imitation which may be sold to them. If it does not bear the full name of the Company—California Fig Syrup Co.—printed on the front of every package, do not hesitate to return the article and to demand the return of your money, and in future go to one of the better class of druggists who will sell you what you wish and the best of everything in his line at reasonable prices.
