went over to Lynn last Saturday night to attend an ice-cream supper which was given for the benefit of the Lynn Base Ball team. The new diamond is being graded and rolled and will soon be ready for the Lynn boys to practice on. The field is located in the meadow below the road and is an ideal spot for a ball ground. We are sure there will be some interesting games played at Lynn this season.

Mrs. Westlake and Miss Helen went up to Log Cabin Inn this week to spend a few weeks.

Mr. and Mrs. Wash Hill are visiting the parents of the former in Rutherford county.

List of unclaimed letters, Columbus, post-office for month ending May 31: H. Swartz, V. M. Simmons: A. L. McMurray, postmaster.

The road commissioners of Columbus township, Messrs. J. F. Ridings, L. H. Cloud and J. B. Page have secured a "Champion" road machine made by the American Road Machine Co., Pennsylvania and a representative of the company will be here on June 16th to give a practical demonstration of what it can do and the result will be awaited with interest. The machine is/drawn by horses and consists mainly of a ten-foot steel concave scrape on a semi-circular pivot controlled by a wheel. The machine passes up the ditch at the side of the road cutting out the loose earth and depositing it in the middle. Several of these machines are in use in Spartanburg county and are giving satisfaction.

get the fifty dollars penalty. Several of the boys of town The plaintiff was represented by E. B. Cloud and the defendent by J. E. Shipman.

NAILS, TACKS

Seventy-five Thousand pairs sold last year.

Seventy-live Thousand pairs sold last year. DESORIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes poreus and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers staling that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on aspiralt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is 50 to per pair, but for advertising purposes we are making a special factory price to the rider of only 4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented. "We will allow as cash discount of 5 per cent (thereby making the price \$4.50 per pair) if you send plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at OUH expense if for any reason they are not astisfactory on examination. We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order, seadles, petals, parts and repairs, and prices charged by dealers and repair men. Write for our
