At a meeting of the town commissioners held Monday it was ordered that the plank walks be repaired where needed and the streets worked. It will take about two weeks to get the lumber for the repairs.

Rev. W. W. Jones filled his regular appointment at the Baptist church Saturday afternoon and Sunday morning. The congregation was large in spite of the rainy weather and the sermon was given close attention.

An informal musicale will be given in the auditorium of the court house on Friday evening. Miss Blanche Hill, Miss Myrick, Miss Charles, Miss Johnson and Miss Louie Anderson will assist in the program. There will be no admission fee and everyone is cordially invited.

The ice-cream supper given on Saturday night at the court house for the benefit of the organ fund of the Baptist church was a splendid success considering the short notice given to the public. About \$36.00 was cleared. The success of the undertaking is due largely to the untiring efforts of Mrs. T. C. Hampton.

THE HOME CIRCLE.

Good resolutions need more winding than an eight-day clock.

The best way to keep boys at home is to make it an object for them not to go out to seek amusements, for these they will have. Every farm ought to be made a very heaven on earth for its inmates. Not alone the farm house either but all houses in the land. Learn each child's nature and then work some home charm to keep him in your circle.

Childish rage unchecked will, after a while, become a hurricane. Childish petulance will grow up into misanthropy. Childish rebellion will develop into the lawlessness of riot and sedition. If you would ruin the child, dance to his every caprice and stuff him with confectionery. Before you are aware of it that boy of six years will go down the street, a cigarette in his mouth, and ready at any corner with his comrades to compare pugilistic attainments. The parent who allows the child to grow up without ever having learned the great duty of obedience and submission has prepared a cup of burning gall for his own lips and appalling destruction for his descendants.

A little love, a little wealth, A little home for you and me; It's all I ask except good health, Which comes with Rocky Mountain Tea.

They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of this, specially prepared fabric on the tread.
