## **TUMORS CONQUERED**

SERIOUS OFERATIONS AVOIDED.

Unqualified Success of Lydia E. Pinkham's Vegetable Compound in the Case of Mrs. Fannie D. Fox.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy, Tumor.

The growth of a tumor is so sly that frequently its presence is not suspected until it is far advanced.

So-called "wandering pains" may come from its early stages, or the presence of danger may be made manifest by profuse monthly periods, accompanied by unusual pain, from the abdomen through the groin and thighs.

If you have mysterious pains, if there are indications of inflammation or displacement, secure a bottle of Lydia E. Pinkham's Vegetable Compound right

away and begin its use. Mrs. Pinkham, of Lynn, Mass., will give you her advice if you will write her about yourself. She is the daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising sick women free of charge.

Dear Mrs. Pinkham:-"I take the liberty to congratulate you on the success I have had with your wonderful redicine. Eighteen months ago my periods stopped. Shortly after I felt so badly that I ubmitted to a thorough examination by a system and was told that I had a tumor and would have to undergo an operation.

"Soon after I read one of your advertise-ments and decided to give Lydia E. Pinkham's Vegetable Compound a trial. After taking five bottles as directed the tumor is that tirely gone. I have been examined by a hysician and he says I have no signs of a mor now. It has also brought my periods round once more, and I am entirely rell."—Famie D. Fox, 7 Chestnut Street, radford, Pa.

Most railroad managers supposes the New York Tribune, have considcred the proceedings which have been going on in the United States courts to prevent them from giving special favors in the way of rates or cars as persecution. Some of them have denounced the President as a mischief maker running amuck and as a dar. gerous radical ignorantly interfering with the legitimate business of the country. But it seems that the radicalism of yesterday is the conservatism of today, and the legal and moral standards which a little time ago were so unreasonable are now regarded as eminently proper. DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented. We will allow a cash discount of 5 per cent (thereby making the price \$4.55 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gazhes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination.
