**NOTES AND COMMENTS.**

We would respectfully suggest to the chairmen of the Democratic and Republican County Executive Committees that much better audiences can be secured for the campaign meetings at Lynn, Tryon, Saluda and Columbus if the hour were made say 8 p. m. instead of noon, for the simple reason that in the towns named it is practically impossible for many men to throw down their business at noon and attend a campaign meeting, while at night everyone is at leisure and can and will attend such a meeting and it is to be hoped that the change will be made so that everyone may have a chance to hear the candidates. For the same reason we hope an appointment will be made for Lynn, which was not included in the official circular announcing the joint canvass.

For the past few days the mountains have been gorgeous in their autumnal colors. Little round top mountain which rises to a height of five hundred feet just north of town and which from its contour was nicknamed "Chocolate Drop," by one of our summer visitors, has been especially beautiful because of its proximity, each tree standing out individually, the brilliant red of the sweet-gum and black-gum, the pale yellow of the maple, the mottled bronze of the oaks, blending here and there or outlined against the dark green of pines, giving a richness and variety of color unsurpassed, which has been admired by hundreds of people who have been here during the fall seasons.

**JOINT COUNTY CANVASS.**

Candidates for County Offices to Address the Voters at Each Precinct.—First Appointment at Jackson's Mill Tuesday.

—List of Appointments.

Joint county canvass began Tuesday at Jackson's Mill in the Cooper Gap section. All the candidates were on hand except some of the nominees for county commissioners and Surveyor. The voters of Big Level, precinct also in Coopers Gap section, were addressed Wednesday at noon.

Today (Thursday) the candidates are at Pearidge and Friday they will be at Mill Spring, where the crowd is sure to be much larger than at any of the previous meetings from the fact that it is a much more populous community. This will close the appointment for this week.

Monday will see the men at Shield's precinct in Greens Creek township. Tuesday the voters at Tryon will have a chance to hear the candidates. Saluda is the next appointment, which will be held on Wednesday and Thursday the grand finale will take place at Columbus, the capital of the state of Polk and then the calm before the storm. All appointments are placed at noon.

**REPUBLICAN TICKET.**

For Representative  
**H. C. MORGAN**

Henry C. Morgan is a native of Polk county, a farmer and distiller by profession and lives near Landrum. Represented his county in the Legislature two terms in the 80's, and is at present a member of the board of county commissioners. It has been reported that Mr. Morgan said if elected would kill Polk county's prohibition law, but denied this when approached on the subject by a representative of THE NEWS.

For Sheriff  
**W. C. ROBERTSON**

William C. Robertson is a native of Greenville county, S. C., but has resided in this county a number of years. Was first elected Sheriff in 1892 and has served in this capacity sixteen years. His record is clean and his administration of the Sheriff's office generally satisfactory to both parties. He resides at Saluda.

For Clerk of Court  
**S. B. EDWARDS**

Samuel B. Edwards, present County Treasurer, was elected two years ago and is now the Republican nominee for Clerk of the Superior Court. Mr. Edwards is a farmer by profession but has always been active in local politics. He served a term as Surveyor some years ago and has made a good record as treasurer and is one of the strongest men in the Republican party in the county. He lives near Sandy Plains.

For Register of Deeds  
**GRAYSON ARLEDGE**

Grayson Arledge has been in local politics for many years. He served a term in the Legislature some years ago. He is a native of Polk county and a resident of Mill Spring, where he has served as Surveyor several terms until his resignation recently. He is a brother of J. P. Arledge.

For Treasurer  
**JAS. JACKSON**

James Jackson is a native of the Cooper Gap section and was a Democrat until two years ago when he was converted to Republican doctrines and is now an active worker for the party of his adoption. He is a farmer and has never held any public office. As to his qualifications we are unable to say, but believe he would make a good official.

For Commissioners  
**C. A. CARSON  
J. L. JACKSON  
D. E. CONNER**

Messrs. Carson Jackson and Conner are all farmers, as are the Democratic nominees. Mr. Carson lives near Columbus and is at present a member of the Board of county commissioners, in which capacity he has served before and is eminently fitted for the position to which he aspires for re-election.

Mr. Jackson lives in the extreme northern part of the county and is also a member of the present board.

Mr. Conner is a northern man, a native of Massachusetts we believe, who moved to this county several years ago and settled in the Pacolet valley. He has never held any public office in the county, but will no doubt make a good official as he stands well in business circles in Tryon.

For Coroner  
**GEO. SMITH**

George W. Smith was elected two years ago and is a candidate for re-election. He is a native of Polk county and resides near Columbus. He has made a good record as Coroner and if re-elected

will continue to bury folks who can't bury themselves, in the very best official style.

For Surveyor  
**WILLIAM E. STRONG**

Major Wm. E. Strong is a resident in Tryon, having moved to this county some years ago from Florida, we believe, altho' he was originally from Ohio. Maj. Strong is an architect and civil engineer by profession and is eminently qualified to fill the office of surveyor.
