

NOVEMBER AILMENTS

THEIR PREVENTION AND CURE.

November is the month of falling temperatures. Over all the temperate regions the hot weather has passed and the first rigors of winter have appeared. As the great bulk of civilized nations is located in the Temperate Zones, the effect of changing seasons is a question of the highest importance. When the weather begins to change from warm to cold, when cool nights succeed hot nights, when clear, cold days follow hot, sultry days, the human body must adjust itself to this changed condition or perish.

The perspiration incident to warm weather has been checked. This detains within the system poisonous materials which have heretofore found escape through the perspiration.

Most of the poisonous materials retained in the system by the checked perspiration find their way out of the body, if at all, through the kidneys. This throws upon the kidneys extra labor. They become charged and overloaded with the poisonous excretory materials. This has a tendency to inflame the kidneys, producing functional diseases of the kidneys and sometimes Bright's Disease.

Peruna acts upon the kidneys by stimulating the excretory glands and ducts, thus preventing the detention of poisonous materials which should pass out. Peruna invigorates the kidneys and encourages them to fulfill their function in spite of the chills and discouragements of cold weather.

Peruna is a combination of well-tried harmless remedies that stand the test of time. Many of these remedies have been used by doctors and by the people in Europe and America for a hundred years.

Peruna has been used by Dr. Hartman in his private practice for many years with notable results. Its efficacy has been proven by decades of use by thousands of people and has been substantiated over and over by many thousands of homes.

Peruna is sold by your local druggists. Buy a bottle today.

MARKING BRUSHES.

Many housewives are fussy, and justly so, about their brushes. A brand new dust brush will be confiscated by the maid for use around the range, where it was intended for service on the stairway. In order that no brush may be applied to any other use than that for which it was intended it is a good expedient to mark them all.

This is best done by sticking the end of a poker in the hot coals and burning the backs of the brushes with large initials—S, for sink; H, for hearth and so on.

BABY'S AWFUL HUMOR.

This Skin Formed Over Body and Under It Was Watery Blood—Cured in One Week by Cuticura Remedies.

"When my little girl baby was one week old she had a skin disease. A thin skin formed over her body and under it was watery blood, and when she was washed it would burst and break. She was in that condition for weeks, and I tried everything I could think of, but nothing did her any good. When she was three months old I took her to San Antonio to see a doctor, but the doctor we wanted to see was not at home, so my sister gave me a cake of Cuticura Soap and half a box of Cuticura Ointment, and told me to use them, which I did in time. I used them three times, and the humor began to fade, and in one week she was sound and well, and it has never returned since. I think every mother should keep the Cuticura Remedies in the house. Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nice cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

"THE MARRYING SQUIRE."

Justice Geo. E. Law, of Brazil, Ind., Has Married 1400 Couples.

Justice Geo. E. Law, of Brazil, Ind., has fairly earned the title "The Marrying Squire," by which he is known far and wide, having already married some 1400 couples. Ten years ago he was Deputy County Treasurer. "At that time," said Justice Law, "I was suffering from an annoying kidney trouble. My back ached, my feet were broken at night, and the passages of the kidney secretions were too frequent and contained sediment. Three boxes of Doan's Kidney Pills cured me in 1897, and for the past nine years I have been free from kidney complaint and backache."

A Lazy Liver

May be only a tired liver, or a starved liver. It would be a stupid as well as a savage thing to beat a weary or starved man because he lagged in his work. So in treating the lagging, torpid liver it is a great mistake to lash it with strong drastic drugs. A torpid liver is but an indication of an ill-nourished, enfeebled body whose organs are weary with over work. Start with the stomach and allied organs of digestion and nutrition. Put them in working order and see how quickly your liver will become active. Dr. Pierce's Golden Medical Discovery has made many marvelous cures of "liver trouble" by its wonderful control of the organs of digestion and nutrition. It restores the normal activity of the stomach, increases the secretions of the blood-making glands, cleanses the system from poisonous accumulations, and so relieves the liver of the burdens imposed upon it by the defection of other organs.

If you have bitter or bad taste in the morning, poor or variable appetite, coated tongue, foul breath, constipated or irregular bowels, feel weak, easily tired, dependent, frequent headaches, pain or distress in "small of back," gnawing or distressed feeling in stomach, perhaps nausea, and "morning risings" in throat after eating, and kindred symptoms of weak stomach and torpid liver, no medicine will relieve you more promptly or cure you more thoroughly than Dr. Pierce's Golden Medical Discovery. Perhaps only a part of the above symptoms will be present at one time and yet point to torpid liver or biliousness and weak stomach. Avoid all hot bread and biscuits, griddle cakes and other indigestible food and take the "Golden Medical Discovery" regularly and stick to its use until you are vigorous and strong.

The "Discovery" is non-secret, non-alcoholic, is a glyceric extract of native medicinal roots with a full list of its ingredients printed on each bottle-wrapper and attested under oath. Its ingredients are endorsed and extolled by the most eminent medical writers of the age and are recommended to cure the diseases for which it is advised.

The Original Porous Plaster.

It's Alcock's, first introduced to the people sixty years ago, and to-day undoubtedly has the largest sale of any external remedy—millions being sold annually throughout the whole civilized world. There have been imitations, to be sure, but never has there been one to even compare with Alcock's—the world's standard external remedy.

For a weak back, cold on the chest or any local pain, the result of taking cold or over exertion, there's nothing we know of to compare with this famous plaster.

FEARFUL PAIN

SUGGESTIONS HOW WOMEN MAY FIND RELIEF.

While no woman is entirely free from periodical suffering, it does not seem to be the plan of nature that women should suffer so severely. This is a severe strain on a woman's vitality. When pain exists something is wrong which should be set right or it will lead to a serious derangement of the whole female organism.

Thousands of women have testified in grateful letters to Mrs. Pinkham that Lydia E. Pinkham's Vegetable Compound overcomes woman's special pains and irregularities.

It provides a safe and sure way of escape from distressing and dangerous weaknesses and diseases.

The two following letters tell so convincingly what Lydia E. Pinkham's Vegetable Compound will do for women, they cannot fail to bring hope to thousands of sufferers.

Miss Nellie Holmes, of 540 N. Division Street, Buffalo, N. Y., writes:

"Dear Mrs. Pinkham—Your medicine is indeed an ideal medicine for women. I suffered misery for years with painful periods, headaches, and bearing-down pains. I consulted two different physicians but failed to get any relief. A friend from the east advised me to try Lydia E. Pinkham's Vegetable Compound. I did so, and no longer suffer as I did before. My periods are natural; every ache and pain is gone, and my general health is much improved. I advise all women who suffer to take Lydia E. Pinkham's Vegetable Compound."

Mrs. Tillie Hart, of Larimore, N. D., writes:

"I might have been spared many months of suffering and pain had I only known of the efficacy of Lydia E. Pinkham's Vegetable Compound."
