sin, and ex-Quartermaster General State of Texas G. A. R., writes from 1700 First St., N. E., Washington, D. C., as follows:

"I cannot too highly recommend your preparation for the relief of catarrhal troubles in their various forms. Some members of my own family have used it with most gratifying results. When other remedies failed, Peruna proved most efficacious and I cheerfully certify

to its curative excellence."

Mr. Fred L. Hebard, for nine years a leading photographer of Kansas City, Mo., located at the northeast corner of 12th and Grand Aves., cheerfully gives the following testimony: "It is a proven fact that Peruna will cure catarra and la grinne and the content to the co la grippe, and as a tonic it has no equal. Druggists have tried to make me take something else 'just as good,' but Peruna is good enough for me."

Chicago, Burlington & Quincy Railway Passenger Train Crashes Into Freight Train on the Northern Pacific Railroad at Youngs Point, Mont., Resulting in a Number of Fatalities.

Livingston, Mont., Special.-Plowing through a snowstorm, eastward bound, a Chicago, Burlington & Quincy passenger train running over the Northern Pacific Railroad, crashed head-on into a freight train at Youngs Point, where the trains were to pass and in the demolition that resulted a crowd of lives were crushed out and score of persons were injured, several probably fatally. The freight flagman failed to signal the passenger in time to prevent the collision, it is said, because of the blinding snow. The express car telescoped with the smoking car and most of the fatalities and injuries were of persons in the latter car. The express car was raised over the platform of the smoking car and the superstructure swept the seats away. Not a passenger in the smoking car escaped death or injury.

The smoking car's debris was hopelessly mixed with heads, bodies, legs and arms, presenting a horrible sight. In one place seven bodies were so tightly wedged to win.
