## NEW HOT CHICKEN SANDWICH smothered in Gravy

Like an idea for a hot, quick and popular dish for the school day lunch? Then consider this new Hot Chicken Sandwich. The new part of it is . . . tangy canned apple sauce. You simply season the sauce lightly and spread it deep on fresh hot toast. Sliced chicken is propped on more toast. Put the toast slices together and serve the sandwich ladled with a thick, smooth, delicious gravy made of chicken broth and apple sauce. All very simple but offering a chicken-apple savoriness that's just the ticket for a chilly day. Nice with it would be tomato slices on greens.

2 cups canned apple sauce  
1 teaspoon prepared horseradish  
1 tablespoon prepared mustard  
1 tablespoon cornstarch

2 tablespoons cold water  
1 cup chicken bouillon  
8 slices bread, toasted  
sliced cold chicken

Combine apple sauce, horseradish and mustard. Blend cornstarch and water until smooth. Combine chicken soup, 1 cup of the apple sauce mixture and cornstarch; cook until slightly thickened. Spread 4 slices toast with remaining 1 cup of seasoned apple sauce. Top with chicken slices and remaining toast. Serve with the hot apple sauce gravy. Makes 4 servings.
