

North Duplin Cage Teams Drop 2 Contests To Aycock Squads

North Duplin opened its 1962-63 cage season Friday night at Faison with a double loss to Charles B. Aycock, which took its first wins of the new season. The boys' score was 61-58 and the girls, 29-35.

The Falconettes won a 39-34 decision over the Rebelettes in which freshman flash, Susan Hayes, sparked the scoring with 22 points. Pam McCullen scored 19 points for the North Duplin girls.

The first half of the contest was played on even terms with the score being tied 11-11 at the first quarter and 21-21 at the half. The Falconettes pulled ahead in the third period and the Rebelettes fought back lacking five points of breaking even.

Harry Sasser was the big gun in

the 61-58 victory with 32 points to his credit. The Falcons took the lead early and never fell behind, leading 13-4, 29-16 and 41-24 at the close of the first three periods. Gerald King was top scorer for the Rebels with 16 points.

The Easy Way

Clowning it up a little for the cameraman, East Duplin's Charlie Lanier, with ball, and Jerry Simpson show how baskets are made the easy way. Against opponents the pair might not have anything to stand on to dunk the ball but their scoring figures show they do anyway as it is.

Tiger Letterman

All-around performer Allen Fountain is one of three returning letterman for James Kenan's cage squad. Allen, a senior, took scoring honors in the team's opening game with 16 points.

Another Season of "Thanks" and "Giving"

Another Thanksgiving, with soft shadows of the past mingling with today's candleglow amidst silent prayers of thanks for the horn of plenty. Another reason why family thoughts turn to U. S. Savings Bonds: they help preserve the past, secure the present, protect the future!

Fountain leads the scoring in a single game with 16 points. East Duplin's Jerry Simpson and North Duplin's Gerald King are second with 16 points.

In James Kenan's conference opener against East Duplin the Tigers led in field goals 16-11. The Panthers scored much better from the charity line getting 15 of 28 while James Kenan collected 5 of 14 . . . I wonder how many games during the course of a season are won or lost from the free-throw line.

The James Kenan football team coaches managers, etc. wish to express their appreciation to the many Tiger fans for the beautiful plaques, gifts, and certificates presented to them at the football awards banquet this week.

Don't forget the Holiday Invitational doubleheader at Kenan Auditorium. Participating teams will be James Kenan, Morehead City, East Duplin and Mount Olive.

Box Score

JAMES KENAN	FG	FTA-M	PTS
Lockamy	6	3-4	15
Hinson	3	0-3	6
Benton	3	0-1	6
Fountain	1	2-6	4

Halso	2	0-3	4
Harper	1	1-3	3
Evans	1	0-0	2
Thomas	0	2-3	2
	15	15-28	45

Basketball Schedule

GAMES THIS WEEK
Tonight - East Duplin vs. Wallace
Friday - Richlands at James Kenan

Stockholders To Meet Dec. 14

Garland King, secretary - treasurer of the Duplin Production Credit Association, announces that the firm's annual stockholder's meeting will be held Friday, Dec. 14 at 3 p. m. in the Kenansville grammar school auditorium.

Dr. Albert G. Edwards, pastor of the First Presbyterian Church, Raleigh, will be the guest speaker. Dr. Edwards was one of the speakers at the board of directors conference in Morehead City last summer.

Reports of the operation of the association for the past year will be given and two new directors will be elected. Door prizes will also be given.

Sheriff Deputies Investigate Report Of Peeping Tom

Sheriff's department officials investigated a Peeping-Tom report Sunday night in Chinquapin but were unable to arrive on the scene before the intruder departed.

The report reached the sheriff's office from J. D. Brinkley of Chinquapin who said that he saw a man standing outside his house looking through a kitchen window. He said that he was unable to tell whether the man was white or colored because of shadows around the house.

Sheriff's deputies Jack Albertson, Graham Chestnut and Cordell Johnson tracked the intruder, with the help of bloodhounds, to a point where he apparently left in a car.

lost at the free-throw line.

Allen Fountain, James Kenan's great lineman made the Greensboro Daily News All State team . . . congratulations Allen.

Helton's boys led the mighty Panthers at half time 19-18 . . . with just one week's practice it appears the Tigers may have another successful basketball season. The Tigers lead ED in field goals but the lack of practice really showed up at the free-throw line.

East Duplin's great Jerry Simpson appears from here to be main difference in fight for county championship . . . and maybe a little bit of Charlie Lanier too.

Congratulations are in order for Jimmy Dixon . . . only Tiger to make N & O's All Eastern selection. Of Course Fountain, Knowles, and Bostic made the second unit. Then one of the best running back in Tiger history, Jimmy Strickland did get mentioned.

Wonder what Bobby Batts of the Eastern Champions have to do to get recognized . . . He was just only the leading ground gainer for the best team in Class A.

East Duplin's Jerry Simpson scored 15-points against Goldsboro this past week but the Panthers lost by three, 46-43 in the closing minutes of play.

ED's Harry Miller lead the Panthers junior varsity with 20 points in their win over Goldsboro JV, 44-43.

James Kenan's Billy Knowles has received offers of a full 4-year football scholarship to Wake Forest and the University of South Carolina.

Scouts from Wake Forest have offered James Kenan's Jimmy Dixon a full 4-year scholarship.

Head Coach Bill Taylor has had such house guest this week as coach Elmer Barbour of the University of South Carolina, coach W. D. Fesperman of Wake Forest, coach Carey Brewster of State, and Marty Pierson of Duke . . .

Marty Pierson, assistant coach at Duke, and speaker at the "Touchdown Club" banquet at James Kenan this week takes a bus load of young christian athletes from Durham some high school boys, others college boys, to Lake Geneva, Wis. each year for one of two annual conferences which had to be limited for lack of facilities to 1,000 athletes and coaches. "It's something you've got to see to believe explained Pierson.

North Duplin opened its 1962-63 cage season Friday night at Faison with a double loss to Charles B. Aycock, which took its first wins of the new season. The boys' score was 61-58 and the girls, 29-35.

New Alarm System
The Kenansville Fire Department, Inc. now has an approved alarm system. The sound of it may be disturbing at first, but it would sound mighty good if it were calling men to help you personally. If you could not hear it, neither could the firemen. The alarm will sound one blast on each meeting night as a test, but other times will be to summon help for someone in need.

Christmas Reminder

Free chest X-rays are made possible through Christmas Seals. Buy and use yours. Chest X-rays are made each Wednesday from 1-4 p. m. at the County Health Department.

Kenansville's New Fire Station Now in Operation; Dedication Set

The new home of the Kenansville Fire Department, Inc. is now in operation. As of Sunday, Dec. 16, there will be a fireman on duty at the station on Sunday's, holidays and every night. The week day calls are relayed by extension phone to the Stephens Hardware Company.

There will be only one number to call at all times for fire, rescue or ambulance. The telephone number will be manned a full time. The number now used only for your emergency calls is 295-3051.

The Kenansville Fire Department, Inc. is a non-profit corporation designed for the sole purpose of serving your needs for fire protection and rescue-ambulance emergencies. The men of the department are the most unselfish and neighborly people of your community. They serve at some sacrifice for no pay except your appreciation. With a continued program of training in the latest methods and better ways to serve you, the department will maintain its rating as one of the very top-ranked fire departments, all volunteer, in the United States.

Fire equipment of the best grade is always a necessity to do a creditable job, but no fire truck ever extinguished a fire without a fireman. These men work at their jobs, attend church, buy homes, pay expenses, pay taxes, and have the same problems as all their neighbors, but when duty calls, they become a special breed of citizens whose only purpose is to help their neighbor whenever the danger or cost. The more other citizens of Kenansville Township cooperate with these men in service and expense, the better will be the service available and rendered. All contributions are deductible on income tax.

Remember - there is now no charge for fire calls anywhere in Kenansville Township or elsewhere when it is mutual aid to another department. Please call the fire department when a fire is first detected not when it is beyond your ability to put out. For woods fires not threatening building exposures, the forest fire service is still to be called. Be careful and call early is a good rule.

Open house and dedication will be held on Jan. 3, 1963.

Note: The deadliest year in North Carolina traffic history was 1941 when 1299 were slain.

Cooperation With Parking Problem Asked

Every citizen is asked to be a little more considerate in parking around the town of Kenansville. Park in order and in such manner as not to hinder the right-of-way and safety of other guest.

There is to be no parking around the new fire station. All space for parking is reserved for the firemen to have a place to put their cars when they come to the station to serve you. At no time is anyone, including firemen, to park in or in front of the driveways of the equipment. This is a state law and it will be enforced. Please realize that this is for a quicker response and the safety of men who serve you.
