Beaver Dam Community 4-H Club Busy

The Beaver Dam Community 4-H Club has had a very successful year. It has made benches and curtains for the clubhouse and has started painting the outside of the clubhouse. We have had many work days. We did the Vesper Service for and its surroundings. The club has had many weiner roasts and fun days. We did the Vesper Service for County Achievement Day. We have sold soap, cards, and newspapers to earn money for our club. We have made a bulletin board for our clubhouse to put our announcements on so everyone can see them and be reminded of coming events. We have had a large majority of our members to hand in their record books.

We have already decided on our programs for the coming year. We have decided this year for each member to make a report once every month on his projects what advancements he has made. We have pushed our members to be sure and attend County Council and we have had pretty good attendance at these meetings. We elected officers this year, and they are as follows: President, Alan Johnson; Vice President, Alice Carol Merritt; Secretary, Leila Ward; Treasurer, William David Fussell; Reporter, Gloria Merritt; Song Leader, Donna Turner; and Recreation Leaders, Billy Merritt and Donna Turner. Our adult leaders are Mr. and Mrs. Robert E. Ward. The officers that were replaced by the new officers are as follows: President, John Wilkins; Vice President, Margie Wells; Secretary, Gloria Merritt; Treasurer, Alice Carol Merritt; Historian, Dwight Johnson; Song Leader, Nancy Ward; and Reporter, Alan Johnson. This summer we had a party where we fixed cypress knees. At Christmas, we had party and drew names, but we made the gifts we were to give.

Some of our club members are working right now on Public Speaking Speeches. We have had many programs on Home Nursing. Mrs. Robert Ward, our adult leader, gave all of these programs to the girls.

CORN GROWERS!

Get sure control of BILLBUGS with aldrin

When billbugs attack—corn stands can be so reduced that there are no profits to pay for the seed. You can avoid serious billbug damage by knocking them out before they get started—with powerful aldrin.

At the first sign of infestation, simply broadcast aldrin on the soil, then disk it in. Or, you can combine aldrin with fertilizer and apply both in a time- and labor-saving application. Aldrin is economical too. Small dosages per acre give you outstanding control.

This season, beat billbugs to the punch. Use powerful aldrin. Be prepared—get your supply today.
