Duplin County 4-H Members Observe National 4-H Club Week

Brief Account 4-H Activities In 1962

The County Health Pageant and Talent Show was held in April with each club represented by a Health King and Queen and talent numbers. County Health Kings and Queens were named and Blue Award Talent selected.

In May and June, 150 girls (4-H) participated in local dress revues. Winners presented a county revue.

Forty-three 4-H steers were exhibited by Duplin 4-H'ers in the Kingston and Wilmington Livestock Shows and Sales. Bobby Goodson, Duplin 4-H'er exhibited the Grand Champion steer in both shows.

Southeastern District (of which Duplin is a part) Demonstration Day was held in Sampson County in June. Duplin 4-H'ers participated in 13 events with 3 declared district winners. One member was elected district Secretary-treasurer.

Fifty-five 4-H'ers and leaders spent the week of June 25-30 at Camp Shaub, Waynesville, N. C.

Twenty-five persons attended and participated in State events at State 4-H Club Week in Raleigh in late July.

Throughout the summer, 4-H girls from 3 clubs conducted a pilot study for the N. C. Extension Service on Canning.

The Council planned and prepared an educational exhibit for the Duplin Co. Fair. The exhibit was awarded a blue ribbon.

At County Achievement Day, approximately 200 people viewed the 250 project exhibits, county winners in various fields were named.

Several Duplin 4-H'ers were named district project winners and one was named State Winner and received an expense paid trip to Chicago to National Club Congress.

Duplin County formed a County 4-H Honor Club with Membership

Mrs. Lois G. Britt and Marion Griffin, 4-H Leaders for Duplin County

on participation in 4-H projects and activities. Eleven members were inducted.

In November, Duplin County 4-H Clubs were presented an engraved

plaque for conducting the "Most Outstanding County 4-H Program" in 1962 in the 9 South-eastern Counties.

Council Meetings, Public Speaking And Exhibits Among Activities

Duplin County's 4-H Club members will observe National 4-H Club Week, March 2 to 9. The youth are among 2,285,600 youth who belong to more than 94,700 clubs in urban, suburban, and rural areas throughout the United States and Puerto Rico.

Duplin County has 18. Among the special 4-H Week activities planned for Duplin County are the County Council Meeting, March 4. Agricultural Building, Kenansville followed by the County and Public Speaking Contest. Each club will plan and prepare a 4-H exhibit or bulletin board in observance of National Club Week.

This year's 4-H Week observance has a number of local and national aims among them: To focus on 1963's citizenship-in-action goals for members, to emphasize career exploration and the value of wise decision-making regarding vocational choices, influence more boys and girls 9 to 19 years of age to join or form 4-H Clubs, acquaint more parents with 4-H and seek their cooperation, encourage capable and youth-minded men and women to volunteer as local leaders, honor 4-H friends locally and nationally, and express appreciation for the important part they play.

In Washington, D. C., the Week will be highlighted by a team of 4-H'ers representing members everywhere, who will give the annual "4-H Report to the Nation." The report will review in story and pictures outstanding 4-H achievements and current projects. While in the Nation's Capital, the reporter-delegates will visit the White House, meet members of Congress, meet government officials, and other national leaders. After a short stay in Washington, they expect to go elsewhere for a few days to meet with other 4-H friends.

Assisting Club members with 4-H Week events in all States will be 307,750 men and women who serve as unpaid volunteer leaders, and guide 4-H work in local communities across the country.

The main aims of the 94,700 local 4-H clubs in all 50 states and Puerto Rico, are character development and good citizenship. Specifically, 4-H stresses the mental, physical, social, and spiritual growth of young people by helping them to:

1. Gain knowledge, skills, and qualities for a happy home life.
2. Enjoy useful work, responsibility, and satisfaction in accomplishment.
3. Value research and learn scientific methods of decision-making and problem solving.
4. Know how scientific agriculture and home economics relate to our economy.
5. Explore career opportunities and continue needed education.
6. Appreciate nature, understand, conservation, and use resources wisely.
7. Foster healthful living, purposeful recreation, and constructive leisure.
8. Strengthen personal standards and philosophies.
9. Acquire traits, attitudes, and understanding to work well with others.
10. Develop leadership talents and abilities to become better citizens.

More information on 4-H, or National 4-H Week, is available from the Duplin County Extension Service office, located in Kenansville Agricultural Building. Lois Britt and Marion Griffin are the County's Extension 4-H Advisors.

SUPER SPORTS—that's the only name for them! Four entirely different kinds of cars to choose from, including bucket-seat convertibles and coupes that meet every one can be matched with such sports-car type features* as 4-speed stick or Powerglide transmission, Positraction, tachometer, high performance engine, you name it. If you want your spice plus the luxuries of a full-blooded family car, try the Chevrolet Impala SS. It's one of the smoothest road runners that ever teamed up with a pair of bucket seats. It even offers a new Comfortilt steering wheel* that positions right where you want it. The new Chevy II Nova SS has its own brand of excitement. Like the turbo-supercharged rest-engine Corvette Monza Spyder and the all-new Corvette Sting Rays. Just decide how sporty you want to get, then pick your equipment and power—up to 425 hp in the Chevrolet SS, including the popular Turbo-Fire 409* with 340 hp for smooth, responsive handling in city traffic. *optional at extra cost
