

# ECC Basketball Returns:

The undefeated Southern Wayne girls of Coach Jimmy Adams continue to roll, after the layoff, defeating the Wallace-Rose Hill Lassies, 55-35 in an East Central clash. The Lady Vikings are 6-0 in the conference and ranked second in Eastern North Carolina.

The SW lassies took a 10-0 first quarter lead behind the shooting of Diana Lee and Carylon Holmes. Lee had 22 points and Holmes canned 14. Janet Blanchard set the pace for the Bulldogs with 15 points.

Junior backcourt star Billy Lee led the Vikings of Coach Jimmy Williams to their fifth straight East Central victory with 26 points. The Vikings outscored the Bulldogs 17-4 in the second quarter to win 60-45. Jack Frederick and John Singletary led the Bulldogs with 14 points apiece.

was 38-37. Ken Avery set the scoring for the Rickets with 21 points. Guard Rudy Hasty canned 11 for the Tigers. The Jones boys, Eddy Ray and Cecil, collected 8 each for JK.

The East Duplin girls of Coach D. L. Scott ran their unbeaten string to 5-0 last night stopping the Lady Wildcats, 55-26. Scott's Panther girls are ranked fifth in the East.

Panther Ace Ada Thigpen led the undefeated ED team with 26 points. Ann Pruitt was second high for ED with 12. Jane Erwin canned 11 for the losers.

for farmstead and household use.

Families needing credit to improve their present housing may use funds to add bathrooms, central heating, modern kitchens, and other home improvements, as well as to enlarge or remodel farm service buildings and put in related facilities such as yardfences, driveways and sidewalks.

A farmer may borrow funds to provide buildings for his use or for the use of his tenants and laborers.

A rural resident may use loan funds to buy a previously occupied house, or to buy a site on which to build his home, or to build or repair a home on land he owns.

Insured rural housing loans are made to applicants who are unable to obtain the required credit from other sources.

Further information on insured rural housing loans may

ected 6 for the losers. Coach Bill Helron's Tigers came back from the holidays slow and just a little tired. The much weaker Rockets managed to stay close and when the fouls started to count heavy against the Tigers the score

The Jones Central Rockets swept a doubleheader from James Kenan in an East Central test. The Lady Rockets swamped the Tiger girls 30-8 in a one sided race. Clara Whaley canned 16 points for the winners, while Shirley Price col-

## Housing Loans For Rural Families

Farmers Home Administration is now accepting loan applications from rural families who need to improve their housing. Rhone Sasser, the agency's supervisor for Duplin County, said today.

Funds may be used to finance homes, building sites, and essential farm service buildings.

Under the new program private capital will provide the bulk of the funds with the Farmers Home Administration making the loans and guaranteeing the repayments of principal and interest to the investors.

Legislation implementing the new insured loan program was contained in the Housing and Ur-

ban Act of 1965.

The Act authorizes the Farmers Home Administration to insure loans totaling \$300 million each year for families in low or moderate income levels. These loans will bear interest at 5 percent.

Additionally, loans bearing 5 3/4 percent interest can be insured for families with incomes above the moderate level.

Mr. Sasser said that loans are available to families living on farms and in rural areas including towns of 5,500 populations to construct, improve, or repair rural homes and related facilities, or farm service buildings, or to provide water

**GOVERNOR ACCEPTS FACT BOOKLET** -- Governor Dan Moore (right) accepts a copy of the State booklet presenting industrial facts from J. T. Outlaw, executive vice president of the North Carolina Motor Carriers Association in the Governor's Chambers of the State Capitol, Raleigh. The book covering the pertinent facts on each of the 100 counties of the state are being distributed by NCMCA to local county commissioners, mayors, chambers of commerce, merchants associations, industrial development groups and government leaders. ## Board Endorses E.C.C. College

Resolution Endorsing and Supporting the conversion of East Carolina College into a Full-Fledged and Independent State Supported University of the State of North Carolina. Upon motion of Commissioner Kenneth G. Grady, and seconded by Commissioner J. W. Hoffer, the Duplin County Board of Commissioners unanimously adopted the following Resolution:

Because we believe that Eastern North Carolina is a progressive section of the State of North Carolina that is growing in population and attracting new industry; and

Whereas, we believe the immediate higher educational goals and needs of the people of Eastern North Carolina will be better accommodated by hav-

ing a convenient location at the graduate-level for educational programs; and

Because we have great faith in East Carolina College inasmuch as we believe that this institution has established over the years a record for discharging, in a distinguished manner comparable to that of any institution of higher education in the State, the various responsibilities assigned to it.

Now, Therefore, we the Board of Commissioners of the County of Duplin do hereby formally and wholeheartedly endorse and support the proposal of the president of East Carolina College, Dr. Lee Warren Jenkins, that East Carolina College be converted as soon as is feasible into a full-fledged and independent state-supported university of the State of North Carolina.

I, Christine W. Williams, Clerk To The Duplin County Board of Commissioners, do hereby certify that the above is a true and accurate copy of a Resolution adopted by The Duplin County Board of Commissioners and recorded in their meeting held on January 3, 1966.

This the 3 day of January, 1966.

PRO I. B. DIFFER  
Duplin Country Club

**NEW YEARS DANCE** -- Next to awards banquet, the New Years dance, was the top affair held at the spacious Club House during the year. DCC President Rivers Johnson stated, "simply the best dance ever held at the club. This was due to the fine cooperation from the various groups that worked so hard on the dance," Johnson declared.

(assuming there is one), and he should, in nearly all cases, play it so that the ball lands on the putting surface, rather than rolls onto it.

DCC Pro Marvin Watson said, "It was a pleasure to have worked with the committees in getting set for the big new years event. I have never seen so much help on any club project," the very likeable Pro declared.

**THE SURE PITCH:** The difference in the two pitches are, in case you do not have a sure opening, then have a partner that can muscle the obstruction out of the way....even if it is a twenty foot pine.

Winners in the Holiday Golf Tournament - Warsaw's Colonel Gibb Buck and Mount Olive's Murray Cashwell were first place winners with a total score of 80. Tied for second place were Warsaw's Gerald Quinn and (brother) I. J. Quinn; and Harry Reinhart and Charlie Craft of Mount Olive with 81's.

**1968 USGA RULE:** In match play and stroke play, lifting the ball solely for cleaning will be allowed only once per hole, and then only before the first stroke on the green. Cleaning may be done however, when the ball is lifted under other rules.

Wilmington's Billy Cooper, assistant pro at Starmount CC in Greensboro was a visitor during the holidays.....Harold Dotzer, assistant pro at Whispering Pines, stopped by several days ago. Both Cooper and Dotzer were assistants under Watson at DCC.

Warsaw's Gene Thompson eagled long number six this past week.....Gene's third shot a 145-yard 7-iron dropped for the rare eagle.

**BRIEF**  
FLEA MARKET

The Flea Market operated by the Warsaw Methodist Circles located next to the OLD Post Office Building will be open each Saturday from 10 a.m. to 5 p.m. Anyone interested in second hand furniture may find just the item they need. The market has just received some beds, chest, tables, desk, dressers, vanities and odds and ends. Come see.

**THE SHORT PITCH:** The average player should play the short pitch with a lofted club, an 8 or 9 iron, he should aim always for the opening

Pro Marvin Watson would like to express appreciation to Farmers Hardware of Warsaw for the use of the color television placed in the club house during the football games. All the football fans at the club would like to say...thanks to Jimmy Strickland.

Watson stated that he was real happy to see Jane Sheffield, Ruth Townsend and Polly Draughan out playing a lot of golf during the holidays. It is important that our Ladies Golf League grows and becomes more active, and through these women it will. By the way Jane has a new set of clubs from Santa...better watch out another champ coming up.

Kenansville Bill "Jaws" Helton fired a cool 78 Sunday playing with Wiley Booth, Murray Cashwell, and Gerald Quinn. Helton missed a hole-in-one on number 2 by six inches. I bet ole I. B. could handle him now.

The more you can get your hands ahead of the clubhouse in the downswing, the more power you can apply with the right hand.

**LADIES GOLF MEETING** - All ladies interested in golf at Duplin CC are urged to attend a meeting January 17th at 8:00 p.m. in the Club house. Mrs. Phil Kretsch, President of the Ladies Golf League at DCC, stated that all ladies are also invited to play at Rockfish CC on January 11th. First teams will tee up at 10:00 a.m.

Man recovers slowly from wounds inflicted by careless words. Think before saying it. Is it kind? Is it true? Will it help?

Fore.

## NEW BUTLER Pan-Frame

GOES UP FAST

GOES UP EASY

## FOR LESS MONEY

Why spend your hard-earned money for ordinary wood construction - and then keep on spending for upkeep? Our new Butler Pan-Frame building is all-metal - weatherproof, fireproof, and virtually maintenance-free. Yet it costs no more than a good pole barn. The reason is Butler Pan-Frame, the panel is the building! No bulky frames, no trusses. You build with rugged, pre-cut and pre-punched panels. Self-aligning panels that bolt-together easily. It's the fast, easy way to build a hog house, cattle shelter, machine shed, or other building. Widths to 60' and wall heights to 14'. We have special Pan-Frame building plans available. Come in now for your free copies.
