CHOOSING AND CARE OF CARPETS AND RUGSSTUDIED AT HD CLUB

"Choosing your Carpets and Rugs, and How to Care For

Them," was the subject discussed for the Summerlin's Home Demonstration Club meeting, Thursday. The hos-tesses were Mrs. Thomas Summerlin and Mrs. Ella Outlaw.

In selecting carpets and rugs, there are four decisions to make, Namely: Finding the style you like best, The color and texmire best suited for your home, and Choosing the best quality at the price you can afford. Daily care is neces-sary for the maintenance of carpets and rugs with profescarpets and rugs with profes-sional cleaning from time to time and quick attention to

Deaths

BROTHER WARSAW WOMAN SUCCUMBS

plied to the backing anchors each nuft in place. Woven pile rugs and carpet-ing are made of loops of varn which are held in place by lengthwise and crosswise varns or by a woven backing fabric. Woven pile rugs include Ax-minster, wilton, chenille, and velvet, or a combination of these weaves. weaves.

A course in Welding spon-sored by the James Sprunt In-stitute will begin March 2, 1966, in the Rose Hill Shop. Inter-ested students may register at the first class meeting. There is no charge for the course Knitted carpets are made on a machine that produces the pile and the backing in one is no charge for the course. Class will meet each Monday operation.

Broadloom refers to mea-surement. It indicates only that and Wednesday night from until 9 o'clock. the carpet was woven on a loom six or more feet wide, Mrs. Little explains. Carpets or rugs are cut from a roll of broadloom in a desired length.

Area rugs, often used to de-fine such activity centers as a conversation or dining area, are available in a variety of forms and shapes. Because they have built-in design or are finished all the way around with binding, area rugs are usually expensive for their size. Outdoor-indoor carpeting is

fairly new. Made from a poly-propylene fiber, this carpeting
