

Help Make Warsaw Beautiful

(These letters were distributed by Boy Scout Troop #20, Bill Faust, Scoutmaster, in the downtown section of Warsaw on Saturday, and in residential sections of Warsaw on Sunday.

TO: ALL RESIDENTS OF WARSAW

This letter is being sent to all of the people in our city. We want to ask for your help and your cooperation in our Clean-Up and Beautification Project.

We are proud of our town - our churches, schools, industry - but we feel there is room for a great deal of improvement. We go about our business every day and fall to see, as a visitor does, the unmowed grass, the dirt in our street gutters, our sidewalks grown up in grass, weeds growing around and back of our buildings in the heart of town, the unkempt vacant lots, the litter, etc.

Will you help us? Take a walk around your property and look at it as a stranger would. Do you have some rubbish that needs to be disposed of, a garbage can that should be kept away from the street, a sidewalk that needs cleaning?

If you have some ideas to help us in this project, we would greatly appreciate them. Contact us by writing directly to The Warsaw Council of Garden Clubs, Warsaw, North Carolina.

Yours For A Cleaner Town,

THANKS FOLKS!!!

FOR YOUR SPLENDID RESPONSE TO THE APPEAL FROM THE CIVIC CLUBS FOR CLEAN-UP WEEK.

The fine spirit of cooperation which the people of this town have shown reflects the progressive attitude which has put Duplin County on the move.

Clean-up week was the first step in the Garden Club Council Beautification program for Warsaw. This splendid drive in the projected program was really the easiest, for folks who care will cooperate. Now comes the really difficult task, beautifying the Railroad right-of-way, eliminating the tumble down shacks that clutter our towns, doing something to make a more attractive entrance to our town and other projects that will help to make Warsaw known as the town that really cares.

This will take a lot of work and a lot of cooperation. Each person should ask himself "Is it my property, my business, my vacant lot, my investment property that is helping to make a bad impression?" and then be sure that it is not.

There is much to be done but with the cooperation of all the Civic clubs, the Mayor and Town Board that are working hard to help, and united effort from all citizens IT CAN BE DONE. Remember the rhyme "What kind of a town would our town be, if every citizen were just like me?"
