

We care

WHO IS A&P?

A&P is people... 135,000 loyal, dedicated people... people who know and believe in what their company stands for.

For more than a century, A&P has been fortunate to have such people... many of whom started as teenagers and have profited from our policy of promoting from within the company.

We think our A&P people are special. They know and believe in the basic philosophy of A&P: to bring the most good food, to the most people, for the least amount of money... and to CARE about what we sell and how we serve you.

We are proud of our A&P people... all 135,000 members of the A&P family. They are A&P. Without them, we wouldn't have you. Without you, we wouldn't be in business!
