**This week we'll make and sell about 9 million donuts!**

**Wonder why?**  
 Well, maybe it's because we make more types of Donuts than probably any other wholesale baker. We make Golden Donuts, Sugar, Cinnamon, Jelly, Frosted, Homestyle, Glazed and more. Or maybe it's because our Jane Parker Donuts are known to be light and luscious.

Whatever the reason, it's a fact. We will make and sell about 9 million donuts this week and average nearly the same every week of the year. Such popularity must be deserved.

This week, shop A&P. Visit the Jane Parker Department. Pick any donut variety and discover for yourself why they're so popular.
