Duplin County tobacco grow-ers will be starting the 1969 season with one strike against them if they make the mistake of planting tobacco in the same field where tobacco grew last

year. This is the observation of Vernon H. Reynolds, Duplin Co-unty Extension Chairman, Kenansville.

"One of the most costly mistakes some growers make is planting tobacco behind tobacco year alter year," Mr. Reynolds said. "Tests conducted by North Carolina State Univer-sity, some of them here in our own county, have shown clearly that diseases build up and cause increasing amounts of damage when tobacco is grown in the same field each year."

Mr . Reynolds cited results from 1968 tests which indicated flue-cured growers can expect a well planned system of rot-ating tobacco with disease resistant crops to increase the performance of the tobacco by \$200 to\$600 per acre.

"These are potential savings our growers can't afford to ignore", the agent said. He called the job of planning a rotation system to reduce loss to black shank, brown spot and mosaic as a simple one. All crops grown in North Carolina are resistant to black shank and brown spot except

Nematode populations can be reduced by rotating tobacco with small grain, fescue, peanins, milo, and on some farms corn.

Donna Bow-man, an All Conference selec-tion lead the Bulldogs with 7, while All Conference Vickie Parker and Elizabeth Brown (HM) had 8 each for the lass-

hanger. In the battle Wallace-Rose Hill trailed most of the game but staying cool kept moving closer to take the lead late in the fourth quarter. entire East Duplin team as they fought a cold Rebel club that had beaten them twice during the regular season. Coach Jerry Thigpen, filling in for Co-ach Dick Powers, (brother died), said it was the first experience for him that every member give one hundred per cent, and that it was all for Coach Powers. staged at KMA. Matched point for point for the first three quarters, the Rebels of Tom Salter battled the Bulldogs to the dying mo-ments of the final period. The score was 32-32 at half time and 50-50 starting the final quarter. As Coach Tom Edwards said, "We ran out of gas in the late minutes," but the Rebs kept coming. Top scorer John Byrd hitting eight of nine from the charity line and a total of 24 points lead the Rebels to the perfect 23-0 record and the ECC tournament championship. With the outstanding performance of Robert Surratt and re-bounding of M.L. Carr, the Bulldogs never faltered and battled to lose their third straight to the Champions. Carrhad 23 and Surratt 18.
