## What is A Mother?

To her family, she's special.  
 She's understanding,  
 a banquet chef, a short order cook,  
 a fountain of love, a chauffeur,  
 warmth and security.  
 She's clean socks, starched dresses,  
 a mender of hurts.  
 She's scrubbed ears,  
 a tender nurse, a maid, a queen.  
 She deserves a day of honor and tribute.  
 She deserves the love of those she loves.  
 Yes, she's very, very special.  
 This Sunday, you'll tell your mother  
 how much you care.  
 We'd like to tell all mothers, "We Care, too!"
