

Rotary Gov. Talbot Speaks To Warsaw Rotarians

J. Talbot Capps, District Rotary Governor from Winston, was guest and speaker at last Thursday Warsaw Rotary meeting held at the Country Squire. Talbot is the retired owner and operator of The Parkview Drug Company and is semi-active in the operation of Capps Book Store in Winston.

He was introduced by President Freeman. When commenting about Rotary, Talbot said, "It's the greatest organization there is. There are

150,000 Rotarians, 15,000 clubs in 146 countries. Rotary is still growing at the rate of 1 new club per day and 1,000 new Rotarians per month."

Talbot challenged the Warsaw club to do a little more for the people of Duplin County, to develop membership, to do a better job of serving the people in their community, to carry Rotary to work, and to bring the Rotary 4-way test into their lives. President Freeman thanked the Governor for his fine speech and the meeting was adjourned.

Governor and helpers--Picture above is Rotary Governor Capps with the Warsaw Board of Directors. From (L. to R.) Bill Powell, Governor Capps, President Freeman, Jim Edmondson, Jack (L. to R.) Craval Brewer, John Weatherly, Charles Hinson, Allen Draughton, and Al Smith.

Mrs. Annie Lee Lanier, student at James Sprunt Licensed Practical Nurses School prepares to give a shot to Mrs. Tyson Bostic of Kenansville. Mrs. Lanier is one of the fourteen persons enrolled in the nurses school at JSI.

LPN Realizes Life - Long Ambition

A life long desire to help some one else, and a need to earn a living are the two motives that induced Mrs. Annie Lee Lanier of Wallace to return to school for nurses training.

"Believe me, it wasn't easy" said Mrs. Lanier, "in fact at one point I gave up completely but friends made me see that I must go on."

She is glad now that she did go on, but she vividly recalls the effort required to establish study habits, to provide a home for a teenage daughter and to make ends meet financially without a steady income.

Mrs. Lanier lost her husband John Edward Lanier, just fifteen months ago. Three of her four daughters were married, but she was the bread winner for Gayle, a junior at Wallace-Rose Hill High School and for herself.

Her previous employment consisted of a year with the Health Department in the Family Planning Clinic, and several years as a clerk in a department store.

Now, armed with a certificate in nursing and a long hard year of studying plus actual experience in the hospital, Mrs. Lanier has accepted employment for general duty on third shift at Duplin General Hospital in Kenansville effective September 1.

"I've learned enough to ask questions", said Mrs. Lanier, "I will not do less than my best, and I am willing to continue to learn."

Her experience at James Sprunt has been most rewarding. The work has been hard but pleasant, and the cooperation "just wonderful". She feels that her instructors, Mrs. Sue Saunders and Mrs. Marsha Powell are excellent.

She also feels that James Sprunt is the type place that gives adults a second chance. "It would be hard to express just what the school means to the county", Mrs. Lanier said. "There are entertainment type of things available like flower arranging, and then there is the more serious courses that lead to a degree. The school is really up-grading Duplin County."

Mrs. Lanier is a member of The Wallace Baptist Church and before school consumed so much of her time, she was active in the church work, taught in the Sunday School, served as class president, and was active in other work.

In addition to Gayle, Mrs. Lanier's daughters are Mrs. Betty Brown who is employed at the Wallace Bakery; Mrs. Sue Saunders, secretary at Duplin General Hospital; and Mrs. Marsha Powell, who is a

VIETNAM (FHTNC) Aug. 7--
Utilitiesman Secon Class Earl C. Brown, USN, son of Mr. and Mrs. Clayton Brown of Route 2, and husband of the former Miss Brenda S. Lanier, all of Beaufort, is serving with the Seabees of Naval Construction Battalion Maintenance Unit 302 in Vietnam. There are only two such units in Vietnam.

.....
the Duplin County School system. She also has six grandchildren.

Her schedule allows little time for hobbies but she is an avid sports fan and probably one of the best boosters for the Wallace-Rose Hill basketball team, of which Gayle is a member.

The unit provides maintenance and construction support for floating Navy combat patrol units and their advanced bases at Cam Ranh Bay, and 12 other sites throughout Vietnam.

The 300 man unit has its headquarters at the Naval Support Facility in Cam Ranh Bay, Vietnam.
