Breast Self-Examination Program

On Tuesday, May 30 at 8 p.m. in the McGowan Building of James Sprunt Institute, the Kenansville Jaycees and JSI Nursing Department are sponsoring an educational program on "Breast Self-Examination." A 16-minute film will be shown, followed by a demonstration and practice on mannequins, which will be supervised by Mrs. Adrian Jackson of JSI Nursing Department.

Most women discover breast changes, or masses, by themselves. Breast lumps, both benign and malignant, can be found by touch. It is the intent of both sponsors to educate women of all ages on self-examination procedures. Only a physician can make sure of the diagnosis. It is suggested you see him right away and give yourself peace of mind. No matter how busy, every woman should do a breast check monthly.
There is no registration fee for the program.
