

East Duplin, Wallace-RH Tangle In ECC Football War

By Joe Costin

WALLACE - The Wallace-Rose Hill Bulldogs under the leadership of new coach Jack Holley eliminated James Kenan's hopes of at least a second place finish in the East Central 2-A Conference football war last Friday night, 28-0 in an all important league game. The Bulldogs rest completely in control of second place in the conference with a 5-1 league record and 7-1 overall mark, one stroke back of unbeaten North Duplin. James Kenan slipped down to a tie for fifth place in the conference with Lakewood with a 3-3 record. Holley's Dogs, a much-

improved team over a year ago, operated almost on "enthusiasm" in handing JK their second straight shutout behind the outstanding performance of running back Rufus Satchell and Randy Hulbert. James Kenan gave up the ball too many times and failed to take advantage of scoring opportunities.

Wallace-Rose Hill, winning its first over James Kenan since 1971, took a 7-0 halftime lead on a three-yard run by David Woods plunge into the end zone, climaxing a 77-yard drive. Greg Maready kicked the first of four extra points. Kevin Alderman added the second TD to up the score to 14-0, and Hulbert's jaunt to pay dirt made the count 21-0. As the game entered its final moments, Joe Don Boney intercepted a Tiger pass and raced 26 yards to give the Bulldogs one of the sweetest wins in years.

James Kenan's Tigers were unable to muster much of an offense and could not cash in when they had the chance. The Tigers' Audie Bronson was about the only real spark-of-life and Chuck Anderson played well until an injury, and, of course, Ernie Knowles did a good job on defense. The Bulldogs defense that just made a big mess of the Tiger offense was led by Delton Blanchard, Jeff Carter, Robert McGowen and Tony Farrior.

This week the Tigers take on a much-improved South Lenoir team that bushwacked Union 57-6, while the Bulldogs just may pick up a

little more insurance for second place in the ECC against East Duplin.

In other East Central action, South Lenoir's super running back Wade Smith broke a school record for rushing in a game and scored six touchdowns to lead the Blue Devils to a 57-6 blasting of Union High before a huge homecoming crowd at Deep Run. The Blue Devils took advantage of the Spartans fumbles and mental mistakes in picking up their first ECC win of the year. South Lenoir is now 1-4 in the conference and 2-5-1 overall.

Lakewood fought back from a 22-0 first quarter to make a game out of it with unbeaten Ayden-Grifton last Friday night (30-15) in a non-conference encounter. The win moved the Chargers out front in the Eastern Carolina 3-A race with a perfect 8-0 overall record.

Hobpton made a safety stand up to hand the Midway Raiders their most lethal blow of the year with a 8-7 ECC win last Friday night. Undeclared North Duplin ran at will to completely destroy East Duplin 40-6 behind the outstanding performance of star running back Johnny Artis and Anthony Jernigan. The Rebels travel to Midway this week in what may be the "game of the year" in the East Central Conference. North Duplin needs the win to continue in first place in the league. They will run into the best defense in the conference and the Raiders are real upset over the Wildcat loss. . . so look out.

WALLACE-ROSE HILL'S tight-end (83) bottled up James Kenan's offense all night Friday in their 28-0 win over the Tigers.

Warsaw-Faison Midget League Football

By Joe Costin

With the NFL and Monday Night Football on the shelf and with all the other local excitement at North Duplin and James Kenan High Schools, we may just be missing the best night of the week. The night for following the pigskin, along with the high school, is "Wednesday Night Football," within the Warsaw-Faison Midget Football League, right here under our nose.

teams that make up the most exciting football anywhere. The teams are the Vikings coached by Rex Moody, Randy Edens and James Allen; the Packers coached by Jene Thompson, Colin Quinn and Lloyd Parker; the Redskins coached by Dwight Kirby, Donald Hardison, Bobby Batts and Norwood West; and the Cowboys coached by Glenn Jernigan, J.W. Vinson and Bill Carter. The officials who work real hard around the teams include Johnny Chestnutt, Pat Mathis and Timmy Moore. The people up in the press box, working their way up, is the combo of Doc Brinson and Mark Vinson, two of the best announcers in the state. Of course, we do want to mention Marvin Sutton, president of the league.

The league games have been moving along and now enter the fifth week of the season with the Vikings of Coach Moody unbeaten (4-0) and rest in first place, maybe not resting too well as Coach Jene Thompson's Packers are right on their heels with a 3-1 record, followed by the Dwight Kirby Redskins (1-3) and the Cowboys of Coach Jernigan standing in the door for his first win (0-4).

In the games last week,

the front-running Vikings destroyed the Cowboys, 43-25, behind the outstanding play of fullback Jason Stevens and Sherwood Phil-yaw. The Packers shut out the Redskins 19-0, behind the speedy little scooter Bron "BT" Thompson. Bron, better known as BT, scored all the points for the Packers. - 30-yard pass from Quarter-back Jeff Turner, a 15-yard run and an 81-yarder. BT, one of the leading rushers in the WFMFL, also added the three extra points. Other standouts in the league include all-purpose back Jake Yount of the Redskins and John Steele, Cowboy Ken Avent, along with Jason Hardin.

This week in Wednesday Night Football, the Redskins tangle with the Cowboys at 6 and the Packers take on the Vikings at 7 p.m. Support your team.

NOW CPY DOES FOR APPLIANCES WHAT MPG DOES FOR CARS.

*One may cost more to buy but CPY can make up the difference fast

When the EPA started MPG ratings, car-buyers got a new way to evaluate cars. Now the same idea has been put to work in appliances by the U.S. Department of Energy. It's called "Energy Guide Labeling," and it can make a big difference in the cost of keeping your appliances running. For example, there can be a \$38 difference in the Energy CPY (Cost Per Year) of refrigerator/freezers the same size. Of course, costs and savings may vary, but the idea is to get the best deal you can on energy. So look for the label when you shop. Or just ask us for the details. Because the more you get out of your energy dollars, the more we can get out of ours. And the less your bills will have to go up later on.
