

Jackson-Wiggins Vows Pledged

Miss Veronica Hope Wiggins became the bride of William Luther Jackson on Sunday, November 7, at four o'clock in the afternoon in the Mount Olive Presbyterian Church. The Rev. Allan Smyth officiated at the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Judson Earl Sutton of Route 6, Mount Olive, and the late L.A. Wiggins Jr. and the granddaughter of Mrs. Jessie Welch of Deep Run. Mr. and Mrs. William Dexter Jackson of Route 4, Mount Olive, are parents of the groom.

The bridal music was provided by Rene and Brian Hoxie, vocalists, and Gary Best, pianist.

Escorted by Judson Earl Sutton, stepfather, the bride wore a gown designed by Eric Ennis of LeCouturier, of white silk organza over taffeta styled along Victorian lines. The gown featured a sheer yoke bodice of Alencon lace with lace appliques. A band of matching lace enhanced the high neckline. The leg-o-mutton sleeves of matching lace were ruffled at the elbows and deep cuffs of lace were closed with satin bridal buttons. Hand-sewn pearls and crystals accented the entire bodice and sleeves. Inserts of Alencon lace enhanced the skirt and cathedral-length train. Her full-length veil of bridal illusion and Alencon lace appliques accented with pearls and crystals was attached to a garland of silk rosebuds. She carried a cascading bouquet of white roses and orchids accented with stephanotis and English ivy. Her only accessory was a cameo locket given to her by her grandmother, Mrs. Jessie Welch.

Mrs. Jill Barwick Parks of Mount Olive was matron of honor and Ms. Debra Doreen

Dazey of Mount Olive was maid of honor. Bridesmaids were Ms. Karen Diane Kornegay, Ms. Daphne Rae Sutton, cousin of the bride, and Ms. Robin Ann Johnson, cousin of the groom, all of Mount Olive; and Ms. Mary Lisa Sutton of Faison, step-sister of the bride. Honorary bridesmaids were Paula Wiggins, cousin of the bride, Mandy McNamara and Angie McNamara, both cousins of the groom.

Misses Sara Howard and Michele Howard were flower girls. Ringbearer was Adam Wiggins.

Mr. Jackson was his son's best man. Ushers were Melvin Anderson, Jimmy Martin, Robert Sasser, Johnny Sutton, Steve Howell and Charles Davis, all of Mount Olive. Christopher Wiggins of Mount Olive, brother of the bride, was junior usher.

After a wedding trip to Florida, the couple will reside on Route 4, Mount Olive.

The groom, a farmer, graduated from Southern Wayne High School in 1973.

There seems to be two sides to winning, and Coach Jack Holley at Wallace-Rose Hill High School faces both Friday night at Legion Stadium. Wallace-Rose Hill will host the final round of Division II play-offs Nov. 26.

Wallace-Rose Hill faces Holley's former team, Tabor City, or Clarkton, a team coached by Holley's 1964 high school quarterback Raymond Marlow, in the final play-off game. "There is going to be a lot of emotion in either game we play," Holley smiled. "Three of the Tabor City football coaches are men I worked with for years — in fact, one of them 14 years."

Holley, a 20-year veteran of high school football, came to Duplin County from Tabor City High School. Holley coached 18 years in Columbus County at Tabor City and Hallsboro, and both high schools boast winning football teams under his leadership.

James Kenan High School suffered losses to Holley's winning teams at both Hallsboro and Tabor City during past play-off action.

Wallace-Rose Hill boasts a 10-1 season record under Holley, after years of consecutive losses. Last season was the first in five years that Tabor City failed to see play-off action, but were in a three-way tie for the con-

WE BURN THE MIDNIGHT OIL, SO WE WON'T WASTE A LOT OF MONEY ON OIL

The photograph isn't a scene from "Star Wars" or the NASA Space Center. It's CP&L's Energy Control. Here, we're working 24 hours a day, 365 days a year, to maintain the

most economical "energy mix" every hour of the day. The idea is to use all the nuclear we can, since it costs us only about 1/2¢ per kilowatt hour for fuel. Coal costs about 2¢; oil, a staggering 10¢ to 14¢. That's why we're happy to say that we're one of the lowest users of oil in the country. In fact, we use oil for only about 1% of the electricity we generate. Because the more we can get out of our energy dollar, the more you can get out of yours.
