Pink Hill Area Medical Center Needs Your Help

Billy Brewer, fund raising co-chairman for the Pink Hill Medical Center, urges area citizens to support the fund-raising efforts that are now going on.

According to Brewer, the door-to-door campaigns have received \$11,500 from 365 contributors. "Although some of those persons initially named to solicit have not reported," stated Brewer, "we really need an 'all-out' effort to raise \$30,000 necessary to make the Pink Hill Medical Center a reality."

"We need a contribution from 750 area families," continued Brewer.

A doctor has been recruited and now area citizens are asked to respond.

A grant from the State of North Carolina can be secured by meeting certain requirements and this is where all the citizens of the area become involved. In order to build and equip a \$155,000 center (adequate for two physicians) the community must become involved and raise \$30,000. Not only must the money be raised, but in order to show community approval and involvement, it must come from a minimum of 750 families.

A drive is being made to take advantage of this once-in-a-lifetime opportunity before the end of the year. Persons from each neighborhood are being recruited to make contacts and secure contributions. Your support is needed.

Your tax deductible contributions can be made out to Pink Hill Medical Center, Inc. and sent to P.O. Box 98, Pink Hill, NC 29572, or delivered to the Pink Hill Town Hall or Turner and Turner Insurance Agency.

The goal is to successfully complete this fund drive before the end of 1982. Please do your part.

TWO AREA PHARMACISTS JOIN FORCES - Bostic Drug Company of Beulaville and Brewer Drug Company of Pink Hill announce their association to become Mutual Discount Drugs. Area Pharmacists Join Forces

This week Bostic Drug Co. of Beulaville and Brewer Drug of Pink Hill formally associated to become Mutual Discount Drugs.

Russell Bostic, owner of Bostic Drugs, and Charles Watson, owner of Brewer Drugs, are joining forces in order to improve pharmaceutical services in the communities of Pink Hill and Beulaville.

"We feel this association will strengthen both stores through greater purchasing power and improved merchandizing techniques," Bostic said.

Billy and Marsha Brewer established Brewer Drug Co. in 1950 and served the Pink Hill community faithfully for 26 years. Following a tragic fire in 1976, Charles and

Betty Watson re-opened the store as its new owners. They have endeavored to render the same professional pharmaceutical services that the community had come to expect from Brewer Drug Co. and they pledge to continue the same in the future.

Russell and Doris Bostic established Bostic Drug Co. in Beulaville in December 1960 and have served the community in a variety of professional, civic and business activities since that time. They both pledge to continue these activities in the future.

It is only through the orderly and planned growth of a community that any business can prosper. Both Bostic and Watson agree to this principle and feel that

this association will help achieve that goal.
