#### Strawberry cream cheese pie

- 2 packages (8 ounces each) cream cheese, at room temperature
- 2/3 cup sugar
- 4 eggs
- 2 teaspoons grated fresh orange rind
- 1/4 cup fresh orange juice
- 9-inch graham cracker crust
- 1 pint fresh strawberries

In large bowl of electric mixer, beat cream cheese with sugar until smooth and fluffy. Add eggs one at a time, beating well after each addition. Stir in orange rind and juice. Turn into prepared shell. Bake in 350°F oven 35 to 40 minutes. Cool and chill. Rinse, hull and halve or slice strawberries. Arrange slices over top of cooled pie. Begin by placing a circle of strawberries around the edge of the pie. Then, make a second, small circle. Repeat working toward the center of pie. Pour Orange Glaze\* over strawberries and chill at least 2 hours. Makes 6 to 8 servings.  
\*Orange Glaze: In a small saucepan combine 1/2 cup fresh orange juice, 2 tablespoons water, 2 teaspoons cornstarch and 2 teaspoons sugar. Cook, stirring constantly, medium heat until mixture comes to a boil. Boil one minute; remove from heat. Cool.
