VOL. 5 NO. 18

KENANSVILLE, NC 28349

MAY 5, 1983

**GROUNDBREAKING** - Approximately 200 people gathered at the corner of Central Avenue and Walnut Street in Pink Hill for the official groundbreaking of the new Pink Hill Medical Center. Construction of the 2,700 square foot facility began on Monday by Farrior & Son of Farmville. The building includes a reception area, two business offices, six examination rooms, a trauma room and an area which can be converted into an X-ray office.

Dr. Edwin Little, who has agreed to set up practice in Pink Hill, was present for the groundbreaking. He is presently completing his residency at Conemaugh Valley Memorial Hospital in Johnstown, Pa. September 5 has been set as the completion date for the project.

## Annual Firemen's Appreciation Dinner

The annual Firemen's Appreciation supper was held Tuesday night at the Pink Hill Fire Department. The event was sponsored by the Pink Hill Business and Professional organization and attended by several hundred local supporters.

Dr. Joe Stark, president of the Business and Professional Club, presented

plaques to Donald Heath, Rescueman of the Year, and to Ronnie K. Heath, Fireman of the Year.

T.J. Turner, general chairman of the Pink Hill Medical Center project, briefly addressed the group on the progress of the new building. Dr. Edwin Little, who has agreed to establish his practice here, and wife Naney, were present.

### CARD OF THANKS

We wish to express our appreciation to everyone who sponsored Rachel Kennedy in the Cystic Fibrosis Bike-A-Thon. This may not have meant much to some of you, but to Rachel and her family, it meant a lot. Even though she could not ride a bike, she set a goal to walk five miles and to raise as much money as she could to help C.F.

Most of you know Rachel, but to those who don't, she is a 20-year-old young lady who learned two weeks before her 18th birthday on April 1, 1981, that she was suffering from a brain tumor. The doctor said she couldn't live without an operation, which left her paralyzed in her left side. She could not walk for a long time, but with God's help, she is now walking. She still can't use her left hand, but I know God does perform miracles.

Thanks to Linda Westbrook, Pat Turner and Mary Ann Byrd for walking some of the way with Rachel, and special thanks to Brad Sandlin, her nephew, who walked each step of the way. Rachel raised over \$440 and we are very proud of her.

DR. JOSEPH STARK (center) presents plaques to Fireman of the Year Ronnie Heath, left, and Rescueman of the Year, Donald Heath, right.
