CARD OF THANKS

We wanted to let you, our community churches, schools and town know that in our hour of grief, your loving concern brought a sigh of relief and, let it be true, that even though we each go our

separate way, our paths will cross again another day. Maybe then we can say a kind word or do a good deed in some way to ease the pain, as you have done today. But as for now: We cannot find a better word in our hearts to say to you. No song nor poem have we heard with which to express what we feel, except Thank, and God Bless You. **The Morris Heath Family** In our Loss of Linda Sue
