

## McCall-Killette Exchange Vows

Sarah Ann Killette and Lyndon V McCall were married in a double-ring ceremony performed by the Reverend Michael Shook. The May 15 ceremony began at three o'clock in the Calvary Baptist Church, Warsaw.

The bride is the daughter of Mr. and Mrs. Russell Killette of Warsaw. The groom is the son of Mr. and Mrs. L V McCall of Brevard.

The ceremony began with a program of music provided by Beth Killette, pianist.

Sarah was given in marriage by her father.

The bride wore a white dress of Chantilly lace cascading over white poly-tafeta designed with a natural waistline. The Queen Anne neckline and princess sleeves were seeded with miniature pearls. The full six-tier skirt formed a cathedral train. The gown was accented by a necklace of pearls, a wedding gift from the groom. The bride's small-brimmed derby style hat was covered with Chantilly lace and seeded with small pearls. From the bridal hat fell a finger-tip veil of silk illusion. Sarah carried a crescent-shaped bouquet of white silk orchids.

Accompanying the bride to the altar were Mrs. Letha Davis, sister of the bride, as matron of honor, and bridesmaids Ms. Emily Killette, the bride's sister, and Ms. Linda Hovey of New Bern. The matron of honor wore a seafoam green formal dress with a v-neck bodice trimmed with white Chantilly lace and accented with a ribbon sash at the waist. The gowns of the bridesmaids were of matching design in orchid.

Father of the groom, L V McCall, served as the best man. Ushers were David Hogsd of Brevard, and brother-of-the-bride Timothy Killette. Carrying a satin pillow covered with Chantilly lace was ringbearer Joseph Davis, the bride's nephew. The groom and his attendants wore gray tuxedos. Candlelighters were Vance Dail and Glant Killette of Warsaw. Each attendant wore orchids grown by the groom.

The ceremony was directed by Mrs. Helen Register of Turkey. Presiding over the register was Mrs. Telza Quinn of Magnolia.

The bride's mother wore a light blue formal-length silk

polyester dress accented by an empire waistline from which the skirt dropped into accordion pleats. The groom's mother wore a pink silk polyester formal dress with a natural waistline with bloused bodice and A-line skirt. Both wore orchid corsages.

Both the bride and groom are graduates of the University of North Carolina at Wilmington. Lyndon is employed with Owen's Orchids of Brevard and Sarah is an office employee with K-mart in Hendersonville. The couple will reside in Etowah.

### Reception

The marriage was followed with a reception in the church fellowship hall. Serving the three-tiered wedding cake were Mrs. Madeline Merritt of Newport News, Va., and Mrs. Dorothy Killette of Warsaw, the bride's aunts. Pouring punch were Mrs. Ruth Dail and Mrs. Carolyn Chestnutt of Warsaw. The reception hall was decorated with orchids grown by the groom. Assisting with the reception were Mrs. Jewel Taylor and Mrs. Doris Warren, the bride's aunts.

## Along the Way

The Kelly-Farrior house is one of about 20 structures in Kenansville listed on the National Historic Register. The house has been empty since 1979, but it soon will be the home of the Cowan Museum and the Duplin County Arts Council.

The house was purchased by United Carolina Bank and donated to Duplin County to be moved next to Liberty Hall and the Kenansville town park. The restoration is expected to cost about \$100,000. Moving the Kelly-Farrior home is going to take several days and the process began Tuesday, May 24. The structure will be moved about six blocks going behind United Carolina Bank, area residences and Liberty Hall. The home is being moved intact except for the outside chimney brick-work. When constructed prior to 1848 for John J. Kelly, no plumbing or electricity was installed; today the house remains untouched with no addition by any of the owners of plumbing facilities or electric lights.

The land on which the Kelly-Farrior home was built was originally owned by Edward Pearsall and his wife, Margaret. The Pearsalls sold Isaac B. Kelly 51 acres of land known as the Pasture Branch in 1842. John J. Kelly purchased a lot from Isaac Kelly and built a home, which is known today as the Kelly-Farrior House.

Thomas Shepard, a master builder, is thought to have built the Kelly-Farrior house. Shepard's daughter married Isaac Kelly.

Josephine D. Farrior gained possession of the home from James D. Farrior. The home and the 48-acre tract of land was sold for \$1,250.

While in the possession of Josephine Farrior, she deeded a small parcel of the property for use as a depot and another strip of land to be a public street. The depot was erected about 1915 and used until 1945-50. Atlantic and Carolina Railroad Company paid Josephine Farrior one dollar and other unstated valuable considerations for the use of the property for a depot, according to documents filed in deed book 169 of the Duplin County

Register of Deeds office. At her death, Josephine Farrior left eight heirs to the home estate; six children and two grandchildren.

M.L. Farrior died in 1979, the last remaining child of Josephine Farrior and the estate was sold by grandsons W.D. and Joe Farrior. M.L. Farrior occupied the residence and farmed the adjoining property until his death.

James D. Farrior was a descendant of John and Martha Farrior, who came to Duplin County and changed the spelling of their last name to Farrior. John Farrior was granted several large tracts of land in the Hallsville area during 1784-91. He fathered six children: sons, John David and William Farrior were soldiers in Captain John E. Hussey's Company from Duplin County in the War of 1812. Sons James Farrior became a lawyer and moved to Wayne County, and Hugh Farrior worked as a physician in Duplin County. After the War of 1812, John Farrior served Duplin County in the House of Commons during 1829 and was a member of the County Court. Along with the five sons of John Farrior and wife, a daughter Nancy was mentioned in the will of Martha Farrior.

Survey of Average Price Per Kilowatt Hour For Residential Customers in 28 Cities For 12 Months Ending December 31, 1982.

Like the cost of just about everything else, the price you're paying for electricity has gone up for the past few years. But it could've been worse. In fact, as you can see by the chart, CP&L ranked less than a penny over the lowest price per kilowatt hour. What's more, in 3 out of 4 towns, you'd pay more. And, with your help, we'll keep on conserving energy and looking for more efficient ways to operate so we can stay close to the bottom of the list. That way, both of us will get more out of our energy dollars.
