DUPLIN COUNTY TRUSTEE TOURS
WOC HALL SITE Bill Thigpen of Beulaville, second from left, reviews the plans for College Hall with Mount Olive College president W. Markett Raper, right, and other trustees. From left to right, they are Dr. Eugene Sumner of Raleigh, Howard Scott of Kin-

ston, Thigpen, and President Raper. At the May meeting, college trustees toured the building site of the \$2.8 million physical education, athletic, convention center and approved gift support goals of \$2,000,000 for the 1983-84 academic year.

Special Red Cross Appeal

Annually the American Red Cross responds to an average of 43,000 disaster incidents. These include major disasters and thousands of individual family fires, transportation accidents and tragedies caused by chemical spills and environmental pollution. In the last 10 months, Red Cross has brought immediate aid to the victims of 4,343 disasters, which required Red Cross chapter-national sector expenditures. These disasters have occurred in all 50 States, the District of Columbia, Puerto Rico, the Virgin Islands and Guam. More than a million people have been helped. Disaster assistance has included food, clothing, shelter, emergency medical aid, essential household furnishings, repair of homes, and individual occupational supplies and equipment.

During the 10-month period, this assistance to disaster suffers has cost more than \$33,000,000.

Experts predict that the unusual weather patterns, which in the last six months have brought an unprecedented number of storms, floods, mud slides, tornadoes and hurricanes, are destined to continue.

Your community could be next. When disaster strikes,

anyone can be a victim, man, woman, child, employed or unemployed, the elderly, the handicapped, rich or poor, strong or weak. No one is immune.

The ARC disaster relief budget is exhausted including the \$10,500,000 special emergency reserve fund, and nearly \$5,000,000 that has been donated to special local disaster appeals. As a result, the organization is urging Americans everywhere to give as much as they can immediately. The goal is \$12,000,000. Duplin County's quota is \$447.

You may have already

- Chamber
- Membership
- Drive Dinner

The Kenansville Area Chamber of Commerce is sponsoring a membership drive dinner at the Graham House Inn June 14 at 8 p.m. Chamber members are urged to attend and bring prospective members as guests. Chamber members are urged to contact the Chamber Board of Directors immediately if you plan to attend.

given to your local United Way campaign. But this is a special campaign. It is a campaign that gives you an opportunity to become directly involved in helping other Americans who have suffered a severe blow beyond life's everyday struggle.

Please give all you can as soon as you can. The need is urgent. "We Helped. Will You?" Mail your check today to Mrs. N.B. Boney, Secretary, Duplin County Red Cross, P.O. Box 56, Kenansville, NC 28349.

Jesse's Record

Gasoline taxes have been sky-rocketing for a long time now — as any working man or woman can tell you.

When the five cents per gallon gas tax increase was being debated in the Senate, Jesse worked hard day and night to defeat it. Almost singlehandedly he fought to keep your gas prices and your taxes lower.
