MONUMENT DONATED - The above monument was erected on the Pink Hill Town Square in honor of the MIAs and POWs and was donated by the VFW Post 9514. Jim Bynum, left, of Westview Monument Company, erected the stone and did the lettering free of charge by contributing his time and labor. Pictured with Bynum as the job is just completed, is Prentice Outlaw, right, immediate past Chief of Staff of North Carolina VFW.

Play Your Cards Right And Stay Ahead Of The Game.

For most Americans today, the Age of Plastic has arrived. But then, so has the Fee System.

For years, Diners Club, American Express and other cards have charged fees. Now many banks—including us—have announced card fees.

Playing Your Cards At NCNB

Available this summer, a \$5000 line of credit, or more, recognized at over 31 million places around the world. \$35/yr., 18% interest on unpaid balance (\$25/yr., 15% interest with DeLuxe Banking). Use it to buy tickets and automatically get \$100,000 Travel Insurance coverage.

Both offer credit at millions of places all over town, all over the world: shops, hotels, restaurants, airlines, and Plus System banking machines across the country. Use them to buy tickets and automatically get \$100,000 Travel Insurance coverage. Take your choice and save. Both charge \$18/yr., 18% interest on unpaid balance (\$10/yr., 15% interest with DeLuxe Banking).

The plastic check which lets you use your checking account instead of credit. Accepted at 31 million shops, hotels, and restaurants all over the world, and Plus System banking machines across the country. 75¢/mo. No charge with DeLuxe Banking.

Allows you to use savings and/or checking accounts at all NCNB 24 machines, and Plus System banking machines across the country. \$5/yr.

All told, carrying four or five cards could cost you as much as \$150 per year, or maybe even more.

But it doesn't have to. Because you don't need all those cards. Not when you do business with NCNB.

Get All The Convenience Without All The Fees.

First, no one offers a greater variety of cards. Just

look at the chart on the left.

With one of our cards for credit and one for banking, you'll get more convenience than you can with any four or five credit cards.

Second, in most cases we'll match the credit you get now with several cards in one card. (Say your limit is \$1,000 on Visa, \$1,000 on MasterCard. We'll give you a \$2,000 limit on one and save you \$18 a year in fees.)

Third, both our new World Card and Visa offer all the travel convenience of Diners Club and American Express. So, if you carry both of those cards, we can save you \$40 to \$55 a year in fees.

Finally, if you'd rather not use credit, you can use Checkmate, the plastic check. At over 3 1/2 million places, it's a lot easier than paper checks.

So, for any situation, we have a card that works. Plus something else most banks don't have.

The First 24-Hour Banking Coast-To-Coast.

With the new Plus System, you can use any of

our cards to bank 24 hours a day at machines all over the country.

So, any time of day, almost anywhere you're traveling, you'll never be far away from your money.

NCNB DeLuxe Banking: The Ultimate Bargain.

You've just read some good reasons to bank with us. But probably the best is DeLuxe Banking.

Just keep \$2,500 or more in regular savings (or \$10,000 in a certificate). Get interest on checking, NCNB

Checkmate and a standard-size safe deposit box at no charge. Get special rates and reduced fees on loans and credit cards. Plus other services.

Come see us. Nobody else in the neighborhood is offering you this many ways to stay ahead of the game.

For the first time in North Carolina, a bank offers nationwide 24-hour banking. You can bank with any NCNB card at Plus System locations across the country.
