Inflation-Fighting TRAVEL IDEAS
Bring A Car Back From Europe
The greatest bargain in European travel this summer could be the car you bring back home with you. It's an idea that's appealing to a growing number of Americans.
How does it work? You buy or lease the car here for delivery in Europe. The savings come from a combination of price and not having to rent a car while you are there. Short-term rentals in Europe for cars in the price and comfort range of a Volvo average about \$1,500 a month.
This bargain hint comes from Volvo of America Corporation which says that, with the exception of certain special purpose vehicles, all 1983 models sold in the U.S. are available through the company's Tourist and Diplomat Sales Department. Cars are shipped to the States free of charge from the factory in Gothenburg and from Antwerp, Bremerhaven and London.
Additional information can be obtained from any dealership or by writing to Volvo of America Corporation, Dept. VCR, Rockleigh, N.J. 07647.

Spotlight on HEALTH

Head lice and scabies continue to be a major problem throughout the U.S., according to the official publication of the American Academy of Dermatology. They report that Kwell, with a record of more than

30 years of effectiveness and safety, remains the "drug of choice" prescribed by physicians for controlling these parasitic infestations.

The pain of gastrointestinal gas can be so severe that it can sometimes mimic a heart, gallbladder or ulcer attack. A medication is now available that provides a dual approach to relieving severe gas pain. Phazyme-95, a two-phase tablet, disperses entrapped gas in the upper gastrointestinal tract and facilitates the dispersion and expulsion of gas from the lower gastrointestinal

tract. Patients with chest pains of angina are reported to achieve significant improvement in exercise tolerance for at least eight hours after taking a single 40 mg. capsule of Dilatrate-SR. This is a sustained release capsule with a delivery system designed to meter the release of the medication and keep the release rate constant.

Facts About The BIBLE BY JOHN LEHTI

THE ARK GOING BEFORE--- MEANT VICTORY!

THE ARK OF THE COVENANT HAD BEEN MADE SPECIFICALLY AS A RECEPTACLE FOR THE TABLES OF STONE ON WHICH WERE INSCRIBED THE TEN COMMANDMENTS. A DESCRIPTION OF ITS CONSTRUCTION IS GIVEN IN EX. 25. BUT MORE THAN THAT, THE ARK WAS USED AS A TALISMAN ON MANY OCCASIONS. IT WENT BEFORE THE ISRAELITES WHEN THEY LEFT MOUNT SINAI EITHER IN THE VAN OR, AS THE EXPRESSION MAY DENOTE, "LIKE A KING IN THE MIDDLE OF HIS TROOPS," LEADING AND DIRECTING THE MARCH, WHILE THE PRIESTS WHO HAD ACCOMPANIED IT SIGNALLED THE ORDERS OF YAHWEH HIMSELF. IT WENT IN ADVANCE OF THE PEOPLE, WHEN THEY CROSSED THE JORDAN RIVER, IT WAS CARRIED IN THE MIDDLE OF THE HOST FOR SEVEN DAYS AROUND JERICHO, BEFORE THE WALLS OF THE CITY FELL DOWN. (JOSH. 6:1-20) MORE AND MORE, SUCCEEDING GENERATIONS OF ISRAELITES CAME TO ANTICIPATE COMPLETE VICTORY WHEN THE ARK WAS BROUGHT OUT ONTO THE FIELD OF BATTLE, PARTICULARLY IN THEIR MANY, MANY BATTLES WITH THE PHILISTINES. SO MUCH SO, THAT BEFORE A BATTLE TOOK PLACE.....

...THE ISRAELITES, WITH THE ARK IN ATTENDANCE, RUSH OUT TO MEET THE PHILISTINES ON THE FIELD OF BATTLE—CONFIDENT OF A FULL AND COMPLETE VICTORY!

THE ARK REMAINED COVERED AT ALL TIMES
