

19th Hole
PRO. I. B. DUFFER

Longmeadow's Carol Jones and Lakewood's Connie Carlton teamed to win the first annual Longmeadow Lady Member-Guest golf tournament held last weekend at the club. Jones and Carlton had rounds of 58-59 to edge the twosome of Shirley Pickett and Jessica Wood with a 59-62. Tournament director of the Longmeadow Ladies Golf Assoc., Sandy Record, reports the following flight winners:

Championship Flight
Carol Jones-Connie Carlton 58-59-117
Shirley Pickett-Jessica Wood 59-62-121

First Flight
Sally Jo Houston-Helen Sumrell 63-63-136
Ada Brown-Karen Murcer 63-65-138

Second Flight
Glenee Smith-Rita Simpson 64-57-121
Bunny Cottle-Erlene Gavin 66-59-125

The Longmeadow Ladies Golf Assoc. expressed appreciation to all who helped make the first annual Ladies Member-Guest a success. Tournament official Record expressed appreciation to all the ladies for a fine job and also to Monty and Rita Robinson for their help. "The golf course was in excellent condition and we thank Joe Johnson for that," Sandy said.

Word has reached the 19th Hole, and not from across the ditch, that Robert West and J.C. Page would give anything to beat Hop Smith and J.P. Johnson just one time. Stay in there "tight." The summer is long yet.

Pro Jim Finch reports the team of Marshall Miller, Maybelle Whitaker, George Eakins and Claude Hepler fired an 11-under par to win the July Scramble golf tournament staged at Rockfish of Wallace this past weekend. In fact, the team of John Gore, Joe Batts, Knott Teachey and Mark Shuffler tied Miller's team with 11-under but lost in a playoff. Dwight Jackson's team of Harold Kohne, Randy Bryan and Hilton Williams tied the team of Jim Russ, Betty Matthews, Don Bland and Frank Creech, and the team of Don Vest, Ronnie Brown, W.R. Minshew and Marty Toal with identical 10-under par rounds, which tied them for third. Finch said, "We had 76 players in the Scramble and were pleased with that number."

Finch reminds members at Rockfish of the annual Member-Guest scheduled for August 13-14. Get your partner and sign up now. Finch also reported Warren Hepler recorded the first "ace" of the year at Rockfish last week.

Duplin Pro Rick Green reports Bob Brumleve and partner Red Huddlestone won the annual Member-Member last weekend with rounds of 59-58-117. Green said other winners were:

Championship Flight
Bob Brumleve-Red Huddlestone 59-58-117
Dan Holtom-Buster Johnson 61-61-122
Sonny Kitchin-Joe Costin 62-60-122

First Flight
Mark Rector 63-63-136
John Barrow-Sherman Futch 66-63-139

Second Flight
A.M. Benton-Robert Chestnutt 64-65-139
Fisher Carlton-Carl Price 67-59-126
Pat Mathis-Brad Hawkins 66-62-128
Jerry Smith-Billy Kennedy 69-64-133

It has been reported that a Walter Hagen golf tournament will be played in Duplin County some time within the next two weeks. "It is a matter of working out which course to play on," Pro Rick Green said.

I must say, Duplin's biggest winner was a loser this time...sonmkvair.

Supervisor Resigns

The Kenansville Town Board will advertise immediately for a maintenance supervisor to succeed Dan Ricker, who resigned.

Ricker told the board last week he has taken a job with the Georgia-Pacific Co. plant in Dudley. His resignation will be effective July 22.

The maintenance position was paying \$14,456 a year. Ricker, who lives in Mount Olive, held the post for about a year.

Also at last week's meeting, Gail Bailey, a vice president of Universon Cable Television Co. of Richlands, told the board that the firm has completed its cable TV line system in Kenansville and is hooking up customers.

N.C. Department Of Revenue News

Effective August 1, a use tax will be levied upon sales and trades of motor vehicles between individuals under legislation recently enacted by the General Assembly.

The rate is 2 percent with a maximum tax of \$300 per vehicle. It is to be paid by the purchaser of the Motor Vehicles at the time of applying for certificate of title or registration, and no certificate of title or registration is to be issued until the tax has been paid.

The basis for the tax is the value for the year, model and make of the vehicle according to the schedule of values adopted by the Secretary of Revenue or the amount actually paid, whichever is greater, if the seller does not take a motor vehicle in trade. If a trade is involved, the tax is due to be paid on the difference in the value of the sold vehicle and the traded-in vehicle or the net amount of difference paid, whichever is greater. Previously the use tax only applied to motor vehicles that were purchased outside the state and brought here for use.

Motor vehicle dealers continue to be liable for collecting and remitting the two percent rate of sales tax with a maximum tax of \$300 per vehicle on their sales of motor vehicles. If a trade is involved, the tax is due on the price after allowance for the vehicle taken in trade.

Country Squire To Get New Manager

R.A. "Rudy" Jarrell resigned last week as Kure Beach police chief to take a job managing the Country Squire restaurant and Vintage Inn motel near Kenansville. Jarrell's resignation is effective July 22. "It was undoubtedly the most difficult career decision I have ever had to make," said Jarrell, who has been chief since June 1979. The challenge and increased salary offered by the new job was "simply too good to turn down," he said.

Although Jarrell said his "chief love" is law enforcement, he has had extensive experience in food services in a business he managed and while working with the Wilmington Hilton Inn and Tuesday's restaurant. He has worked in law enforcement with the Wrightsville Beach Police Department and the New Hanover County Sheriff's Department.

Jarrell's resignation has not been officially accepted by the town board. A board meeting may be held this week to begin seeking a chief to head the five-man department. Jarrell was paid an annual salary of \$13,000.

The Mayflower averaged under two miles per hour en route to America.

Warsaw Board To Probe Firm Records

While reducing the sum retained by the town in settling with its sewage treatment plant contractor, the Warsaw Town Board plans to check company records and engineers' daily logs to determine whether damages should be assessed against the company for failing to meet the contract deadline.

Last week on Monday, the Town Board reduced the amount retained from payments to Miller Building Co. of Wilmington from \$101,000 to \$60,000. The company built the \$2 million sewage treatment plant southeast of Warsaw. The contract called for completion by Nov. 22, 1982. The project was completed in February, 70 days late.

Miller representatives Jack Kuske and Jim Ballentine blamed unusually wet winter weather for the delay. The contract provides for a penalty of up to \$350 a day for late completion of the project.

The board maintained it holds part of the retainer to meet possible costs stemming from a lawsuit in which the town and Miller Building Co. are being sued by United Pipe Co. for \$25,000. United claims it is owed that amount for pipe sold to the building firm for the project.

The Miller company contends the pipe was delivered late and this contributed to construction delays. It claims it is unable to settle with the pipe company until it learns how much it will be penalized for the late completion of the project.
