PRO. I. B. DUFFER

Duplin Country Club President Lloyd Parker announces the best annual Member-Guest Golf tournament ever as 120 golfers competed with each other this past weekend. Pro Rick Green and all members who worked were the winners according to Parker. "We had the best field ever and with the new format, it was just a big bang," Parker stated.

Green and all the other members of the club, especially, thank the tournament committee of Frank Huffman, Charlie Sutton, Lonnie Hedrick, Ike Riddick, Jack Hill, Colon Quinn and Ronnie Batts for just an outstanding job well done. GREENSBORO'S NEAL MITCHELL teamed with Warsaw's Fisher Carlton to win big in the Riviera Flight of the annual Member-Guest played at Duplin Country Club Aug. 27-28. Mitchell, a standout golfer, set a course record with nine natural birdies on 18 holes.

Warsaw Hires New Recreation Director

Debbie Sherrill, a native of Gaston County, has been hired by the Warsaw town board as recreation director. Sherrill begins work Sept. 6.

Debbie Sherrill

"I see great potential in the Warsaw Recreation program," Debbie Sherrill, the new Warsaw recreation director, said. "The program has a great need for a motivated individual to build up the facilities and attract people participation and develop a sense of pride in the department." Sherrill is a 1982 graduate of the University of North Carolina at Wilmington with a bachelor's degree in Parks and Recreation Management. As part of her undergraduate work Sherrill interned with Asheville Parks and Recreation Department in Asheville. She was employed with the Mecklenburg County Parks and Recreation Department at Ramsey Creek Park on Lake Norman as a park ranger.

"My top priority at Warsaw will be to evaluate the present programs and facilities," Sherrill said. "Beautification is needed in

order to instill a community sense of pride in the facilities.

"Athletic program are all ready established and more will be added if interest is expressed. I want to establish programming in the cultural arts, drama, festival events and social activities for senior citizens, handicapped adults and young adults," Sherrill said. In the future, Sherrill plans to seek government matching grant funds for the renovation of

park facilities and the possible construction of new recreation buildings.

Sherrill begins at a salary of \$12,500 as director of the Warsaw Recreation Department which has been operating for six years. The recreation department has a 1983 budget of \$34,504. Sherrill will be replacing Neale Turlington, who was employed as the first full-time recreation director in the town of Warsaw. Turlington resigned in July.
