

# THE PINK HILL REVIEW

"Serving Pink Hill, Deep Run, Albertson, Beulaville, And Their Surrounding Areas"

VOL. 5 NO. 43

KENANSVILLE, NC 28349

OCTOBER 27, 1983

## Sheppard Is Candidate For Pink Hill Board Of Commissioners

Johnnie D. Sheppard is one of the five candidates for election to the town council. He has been serving on the board since September when he was appointed to fill a vacancy left by Tom Davis who became mayor.

Sheppard is a graduate of South Lenoir High School and East Carolina University where he received a bachelor of science degree in business administration. He is now

business manager for Sheppard Equipment Company in Pink Hill. His wife, the former Danita Whaley of Beulaville, is a registered nurse who teaches health occupations at South Lenoir.

In stating his opinion of serving on the town board, Sheppard said, "Pink Hill is a very good town to live in. We do not have all the problems faced by larger cities, nor do we have large

financial reserves. As a governing body, the town board's greatest responsibility is to keep the books balanced and to spend its revenues where they will benefit the citizens of Pink Hill in the best way. A small town operates the same as a small business. I feel that my experience in business will enable me to fulfill my duties to the town board in a useful manner."

Kim Smith

Kim Smith was named 1983 Homecoming Queen at South Lenoir during festivities at the school recently.

Kim is a senior and is the daughter of Mr. and Mrs. Dempsey Smith of Deep Run.

## Elmore Seeks Re-election To Pink Hill Town Board

Robert Elmore is seeking re-election for the Pink Hill Board of Commissioners.

"My reason for running today is the same as it was two years ago," candidate Elmore said. "I am genuinely concerned about this town. My greatest concern two years ago was budget control. It still is. As long as our national economy is tight our town finances will have to be watched carefully. I believe our current board has been able to keep a realistic budget.

"The Fire Department is another concern of mine. They need new equipment. I pledge my support to help the fire and rescue departments meet their needs.

"I have been a resident of Pink Hill approximately 25 years and feel that I know everyone on a personal basis. I am a graduate of Moss Hill High School and spent two years in the U.S. Army. I am 50 years old and have been employed with Carolina Dairies for 22 years. My wife is the former Barbara Taylor

and we have two sons and a daughter. "If I am elected, I promise I will listen and be aware of

the needs of the people. Furthermore, it is the people's vote that will elect me."

## Fund Drive Begins For MS Society

Barbara Elmore and Carolyn Whitfield will lead the Pink Hill area Hope Chest appeal to raise funds for the fight against MS (Multiple Sclerosis). The announcement was made by Nick Dombalis, chairman of the Eastern North Carolina chapter of the MS Society. Funds collected in the campaign will be used to expand support services and the medical equipment loan program to residents of Eastern NC who are afflicted with MS.

Multiple sclerosis is a neurological disease affecting the brain and spinal cord.

It is not contagious nor is it a mental disease. It has been called the "mysteriouscripler of young adults" because it is usually first diagnosed between the ages of 15 to 50.

The annual MS appeal will start November 4. Five volunteers will be knocking on your door to pick up donations. All the volunteers will be wearing identification badges and they will be asking for your support. They are Mrs. I.J. Turner, Mrs. Edith Wiley, Mrs. Wilbur Tyndall, Mrs. L.C. Turner and Johnny Lyles.

People who would like to help should call 568-3436.

## Chamber Solicits Volunteer Awards Nominations

The Kinston/Lenoir County Chamber of Commerce is once again asking for nominations for volunteer service awards. Recipients need not be members of the Chamber.

Awards have been presented since March of this year. All nominations will be considered valid for a 12-month period. Nominations may be submitted at any time during the calendar year.

The award is presented monthly to those individuals or groups who have rendered or are rendering outstanding volunteer service. The actual service need not have been performed during the month that the nomination is made but preference will be given to nominees who are still involved in ongoing volunteer service.

Nominations should be made on the official nomination form which is avail-

able at the Chamber office located at 110 West King Street in Kinston.

### CARD OF THANKS

I would like to thank everyone for the cards, flowers, visits, phone calls, food and prayers during my recent stay at a surgical patient at Lenoir Memorial Hospital and my convalescence at home.

## First American To Invest In New Mortgage Program

First American Federal Savings and Loan association announced that it will invest \$100,000,000 in a new borrower-oriented adjustable rate mortgage program to be called the First American Mortgage. The announcement was made by Ted Y.

Matney, president of FAF, North Carolina's largest savings and loan.

"The First American Mortgage is the first adjustable rate mortgage to form an equitable partnership between the borrower and the lender," Matney

said. "This is a mortgage that people can afford, and it will allow thousands of N.C. families, who cannot now afford a home, to fulfill the American dream of owning their own home." Matney continued.

The FAM ties the interest rate to the federal home loan

bank board's monthly median cost of funds index. This index, with low volatility, has shown only a four percent change in the last three years as compared to the prime rate which has varied by as much as ten percent.
