

**MAKING CHRISTMAS WREATHS**  
 Launching the Christmas season this year, the Duplin Agricultural Extension Service offered two fresh greenery workshops for making Christmas wreaths, December 1 in Kenansville. The workshops were included this year as part of the entertainment and activities leading into the celebration of the Twelve Days of Christmas in the town of Kenansville. More than 50 people participated in the workshop making wreaths at the Extension Building in Kenansville. Mae Spicer, Duplin Extension Home Economics agent, conducted the workshop and is pictured above working with fresh greenery wreaths.

**Succulent Christmas Goose This Year  
 Order Early - Order Now**

Every year we read about the succulent roast goose served by Mrs. Cratchit in Dickens' *Christmas Carol*. This year, why not serve one? It is unexpected holiday excitement that will fill your family with Victorian Christmas glow.

Today's best goose is well-bred, frozen and should have a USDA Grade A inspection seal on the package. Look for it. It means the bird is far meatier, far less fatty, and time and work saving since it is obligingly self-basting. Order yours at once to ensure you have it in plenty of time for the holidays.

Thaw bird according to package instructions. Follow the table below for correct roasting times. If you cook the bird unstuffed, cooking time will be slightly shortened.

Ready-to-Cook Weight (Pounds)	Time at 400° F. (Hours)	PLUS		Total Roasting Time (Hours)
		Time at 325° F. (Hours)	Time at 325° F. (Hours)	
8 to 10	1 hour	1-1/2 to 2	2-1/2 to 3	3 to 3-1/2
10 to 12	1 hour	2 to 2-1/2	3 to 3-1/2	4 to 4-1/2

- 1 cup chopped walnuts
- 1/2 cup golden raisins
- 1 teaspoon salt

Dice apricots. In bowl, pour melted butter or margarine over bread cubes. Combine with apricots and all remaining ingredients. Toss lightly to mix well. Makes enough stuffing for a 10 to 12 pound goose.
