

FACTS & FIGURES

You can make your own household cleanser for walls and floors by adding a half cup of borax, half teaspoon dishwashing liquid and a tablespoon of ammonia to two gallons of warm water.

You can remove spilled food and odors from your refrigerator with a sponge and a solution of one tablespoon of a product such as 20 Mule Team Borax and a quart of warm water. Rinse with cold water.

To remove stubborn coffee stains and smells you can fill any non-aluminum coffee-maker with water to full cup capacity, then add a teaspoon of borax for every cup. Let your pot percolate, then let it stand for 20 minutes and rinse thoroughly.

For more information about the many uses of borax write to: "Magic Crystal Booklet", Dept. B, P.O. Box 75128, Sanford Station, Los Angeles, CA 90075.

PRESCHOOLERS TREAT PARENTS - The Train-a-Tot Preschool students in Beulaville decorated and prepared a traditional Thanksgiving meal for their parents November 23. And last week the preschoolers under the direction of Patti James and Joyce Jackson were making Christmas tree ornaments and preparing decorations for the party scheduled with Santa Claus. The preschoolers are from 2 to 4 years old. The Train-A-Tot Preschool has been in business three months under the supervision of Patti James.
