## LCC To Offer New Courses

Lenoir Community College will offer updated introductory telecourses in data processing (computers) and money management, starting in January, which will include social science credit toward an associate in applied science degree. Mrs. Joyce Cherry, dean of the commercial education division, has announced.

The courses are EDP 104, entitled Survey of Data Processing, and ECO 105, which deals with consumer finance.

Registration will be held on Tuesday, Jan. 10 from 2:30 to 2:45 p.m. and from 7 to 7:15 p.m. in Room 122, Commercial Building, at LCC. Students also may register by mail. Brochures have been distributed at strategic locations. Each brochure contains a registration form.

Winter quarter registration at LCC totals 1,860 students, or 93 above the total for last winter, Dean Preston Emerson of the Stu-

dent Affairs division said. The increase is attributed in part to the heavy registration from East Carolina Corrections Center at Maury in Greene County, he added.

The total registration at the close of the registration period was 1,696 students and included 1,122 day students, six from Greene County Unit and 568 students in the night program, Dr. Emerson, registrar, stated.

The total at that point

compared with 1,745 students last winter, with 1,213 in day classes, 50 in Greene County and 482 in the night program. The computer print out later revealed the official registration last winter at 1,767 students, however.

The extension units late registration this winter included 154 from Green County and 10 from Jones County, pushing the unofficial total well past last winter's figure. The official

registration print-out will be available shortly after Jan. 1, it was indicated.

Dr. Jesse McDaniel, LCC president, expressed satisfaction at the increase in winter quarter enrollment. He said it also indicates there are a large number of continuing students who are taking the two-year study program at this community college from the three-county service area of Jones, Lenoir and Greene counties.

## LCC Dean's List

There were 117 students at Lenoir Community College who maintained a 3.0 average (no grade less than a B) and earned a place on the Dean's List for the fall quarter, Dean Robert J. Sutton reported. There were 19 from the college transfer division, 47 from the technical division and 51 from the vocational division.

The college transfer roster included: Jeffrey E. Hill of Deep Run, Flora A. Howard of Pink Hill, and Amanda D. Rouse of Seven Springs.

The technical division roster included Gregory L. Smith of Albertson, Tammy R. Groves of Chingapin, Harvey W. Grady of Deep Run, Janet P. Davis of Mount Olive, and Anita J. Brown, Patty J. Brown,

Sarah B. Howard, Hilda D. Miller and Anthony M. Quinn, all of Pink Hill.

On the vocational division roster were the following: Fay W. Howard and Carolyn J. Styles of Deep Run, Jane D. Heath and Deborah L. Murphy of Pink Hill, Kelly C. Register of Richlands, and Mary V. Whitfield of Seven Springs.

## Kenansville DSA Banquet Kick-Offs National Jaycee Week

The Kenansville Jaycees announce that Jan. 15-21 is National Jaycee Week. During that particular week, the Jaycees will be selling jelly door-to-door with all proceeds going to the North Carolina Burn Center in Chapel Hill. Various other activities planned for Jaycee Week will be announced as details are finalized.

To kick off Jaycee Week, several outstanding people of the community will be honored at a Distinguished Service Awards banquet on Saturday, Jan. 14. Outstanding people to be recognized are Outstanding young educator, senior citizen, teenager, young farmer, young law enforcement officer, young firefighter, and the one receiving the Distinguished Service award.

Anyone interested in nominating a possible recipient for any of these awards should pick up the appropriate nominating form from UCB, NCNB, the Kenansville Drug Store, Soil Conservation Service office, ASCS office or the Agricultural Extension Service office. The form should be filled out and mailed to P.O. Box 711, Kenansville, NC 28349 on or before the deadline of Jan. 6, 1984.

Further details on the DSA banquet will be provided as they become finalized.

**IMPORTANT NOTICE**

## Pink Hill Town Board Members Take Oath

In the recent Pink Hill Town Board meeting, town officials Mayor Tom Davis and Commissioners Robert Elmore, Johnny D. Sheppard and Manley Hatch were officially sworn in for two years service to the town.

In other action, a resolution was adopted granting the town clerk or David Vance the permission to fill a vacancy of a sanitation employee until the next board meeting should arise in the event of an emergency situation.

Discussion was held on the possibility of joining the Lenoir County Chamber of Commerce. Due to insufficient information on the organization, the decision was tabled until a Chamber representative can be present at a meeting.

The former Chevrolet police car is now open for bids. Bids will be opened at the next board meeting the second Tuesday in January. The board reserves the right

to reject any bids.

Water tank repair is needed immediately. Utility Services will perform the job.

Eddie Southerland appeared before the board seeking reinstatement to the Pink Hill Rescue Squad. Several squad members spoke on his behalf. The matter was later discussed in executive session.

Permission was granted the Fire Department for a remodeling project of their kitchen, adding barbecue facilities to the rear, etc., with the Fire Department using their own finances.

## Lenoir Hospital Plans Convenience Clinic To Open Mid-January

Lenoir Memorial Hospital President Daniel Duval Jr. announced that the hospital's plans are progressing for offering a convenience clinic for the Lenoir County area.

The announcement noted that the convenience clinic will be located in the hospital's new out-patient department which is scheduled to open in Feb. 1984. The new facility will offer plenty of parking and a convenient location adjacent to the hospital's emergency department and other diagnostic/

treatment areas.

"The convenience clinic is intended to offer less expensive alternatives to treatment in the emergency department for minor injuries. It is also intended to offer services with less waiting time. The hours of operation of the convenience clinic are still being considered, but it will definitely include evening hours for the convenience of working people who need treatment of minor injuries or illnesses during the time after work hours," Duval

said.

The convenience clinic will be operated by a physician and appointments will not be necessary. The clinic is intended to provide treatment for one-time injuries or illnesses. Long-term treatments for illnesses will be referred to private physicians," he added.

Further details about the convenience clinic are expected to be released in mid-January, and if plans are developed as expected the new service should begin in February.
