SATISFACTION BRINGS THEM BACK - Durham residents, Dorothy and Owen Fountain, say there is no place like Duplin and stop on their way through the county to visit friends they made at Duplin General Hospital in Kenansville. The Fountain stop in Kenansville last week was one of many visits since the couple was involved in a serious traffic accident just outside of the county seat in 1982. Dorothy almost lost her life and spent almost six days in the Duplin General Hospital intensive care unit due to the accident in which the couple's motor home was totalled. Since, Dorothy and Owen have returned to Duplin several times to visit the ICU staff and Dr. Corbett Quinn, M.D., and surgeon Dr. Oscar Redwine, and ask medical advice from the Duplin doctors.
