

VOLUNTEERS MAN RADIOTHON PHONES - Community volunteers, along with area Jaycee and Jaycette members, manned telephones December 29 during the Ashley Quinn radiothon. At the close of the broadcast from WTRQ radio in Warsaw, more than \$12,000 in pledges had been received during the nine-hour radiothon. Ashley is a Kenansville infant and a possible liver transplant candidate. A goal of \$50,000 has been set by the

Kenansville Jaycees to help defray the more than \$200,000 cost of transplant surgery for the infant. Pictured above, the total amount of pledges is being updated by Warsaw Jaycette Rose Tew and Lorena Vestal receives pledges over the phone. Warsaw Jaycee Ray Rhinehart, left, and Bill Holt, right, also of the Warsaw Jaycees, helped answer phones and compile pledges to keep the total current.

Loan Program Reinstated By FmHA

The Farmers Home Administration (FmHA) will resume making economic emergency loans by the beginning of the year, according to FmHA County Supervisor J.M. Mills Jr. "Economic emergency loans are designed for farmers who are in a cost-price

The program expired in 1981 but was later reauthorized by Congress. It is being re-opened under an order by the U.S. district court in Washington, D.C. "Under the program, loans will be available to farmers who are suffering an economic emergency through no fault of their own. They must show that they have tried unsuccessfully to get a loan from another source before coming to FmHA and that they can repay the loan over a period time, depending on the use of the funds. The funds can be used to finance 1984 crop production, to refinance delinquent farm and family operating debts and related uses," Mills said.
