Eastern Star
Gloria Brown, worthy matron, and Gene Brown, worthy patron, were in their respective stations last Tuesday night when Kenansville Chapter #215, Order of the Eastern Star held its regular bi-monthly meeting. During the business session, which followed the ritualistic opening, the efficiency chart was discussed and checked. Liberal donations were made to the Grand Chapter scholarship fund, also to the ESTARL project and other worthy causes. Plans for initiation were made and it will be held on February 28th.

The Beulaville Garden Club men Jan. 19 at the home of Mrs. Larry Hinson. The guest speaker was Bill Faust of Warsaw, who used slides he had made on a tour with a group.

The hostess served fresh apple cake, bacon and onion dip, potato chips, soft drinks and coffee. A business session followed the refreshments.

The group would welcome new members. The next meeting will be at the home of Mrs. Russell Sanderson on Feb. 23.

755 Enrolled At JSTC For Winter Quarter

Ms. Rita Brown, director of admissions/records at James Sprunt Technical College, reports that 755 students enrolled in all curriculum programs. This is a slight decrease from the 763 fall quarter enrollment but is the second largest winter enrollment since 1979.

Several programs reflect an increase compared to last winter, reports Brown. The business administration program increased 30

percent, criminal justice 40 percent, medical office assisting 50 percent and commercial art 63 percent.

One classification that shows an increase is that of "special student," one who is not pursuing a degree but is enrolled in one or more courses. Many are taking one of the new computer courses, a course for recertification, or a course for self-improvement or general interest.

"Many may not realize that it is not necessary to be pursuing a degree to enroll in a curriculum course," says Brown. "But it is possible to take one course, paying a per-credit-hour fee and register as

a special student."

There are 100 students taking advantage of this special classification, reports Brown. For more information about JSTC's program, call her at 296-1341.
