GRANDMA'S STRAWBERRY JAM

5 Cups Strawberries (washed and hulled)
3-4 Cups Sugar (to taste)

Heat Strawberries and half the sugar in heavy saucepan. Keep at a low boil for 5 minutes. Add remaining sugar and cook 5 minutes more.

Four mixture into large glass or enameled platter or pan. Do not use tin or aluminum. Let mixture sit, until thoroughly cooled (several hours or overnight). Stir occasionally, being careful not to mash the berries which will pump up with the juice. When cooled, spoon into jars that have been sterilized with boiling water. Seal with paraffin. Fills six 8 oz jars.
