

# DCAC FUND DRIVE OFFICIALLY OPENED

"With the mailing of our 1984 brochure this week, our annual fund drive will officially begin," stated Merle Creech, executive director of the Duplin County Arts Council.

The countywide effort will have the theme "Among the People" and will be conducted in schools and communities through the end of February and the entire month of March. Community residents will be working with the council's 16-member Board of Directors in their respective areas. Rep. Wendell Murphy will serve again as honorary chairperson of the fund drive.

"Among the People" was selected because, according to Creech, that is where the Arts Council works. "We take our programs to our people... to schools, recreation centers, clubs, libraries and special happenings. We know that among the people is where the arts help us celebrate and generate creative magic moments that express what we love most about our land, our people, and our lives together."

Creech continued, "The Duplin County Arts Council needs your help and efforts. Your contributions are used for programming and bringing creative and life-filling events to our county's children, senior citizens, workers, artists, art-lovers — to all of us. Among the people is where the arts take form and it is also where your help will be appreciated, for which we thank you very much."

The DCAC is that organization which seeks to make the arts visible and vital and full of life in the county. It began in 1975 as a non-profit, tax-exempt corporation. Contributions may be mailed to Duplin County Arts Council, P.O. Box 36, Kenansville, NC 28349.

#### New Jobs Program At Extended Day School

The Duplin County Extended Day School is now offering a new jobs program. The program, called Job Training Partnership Act, replaces CETA, which was the old jobs platform for disadvantaged youths and adults.

As an additional incentive some students also qualify the employers for the targeted jobs tax credit which allows substantial tax credits for hiring disadvantaged students.

There are presently several unfilled slots in the program for any eligible school dropouts. Persons interested in either the JTPA program or Extended Day School in general, should contact W.T. Stokes, director, or Jim Flowers, coordinator, at 296-1818.
