Kelly Farrior House

At the future site of the Cowan Museum and the Duplin Arts Council, workmen are putting the finishing touches on the exterior of the house this week. The interior is hoped to be completed by this summer and the museum artifacts moved in. Some of the inner walls must be moved or eliminated to house the array of tools and memorabilia of the past in the Cowan collection.

The house is located near Liberty Hall and plans now are to construct or move in some out buildings such as would be found around an old plantation. The spring or summer of the year a Plantation Day (or Week) is in the making. This will bring in craftsmen to demonstrate how things were done in the early 1900's or late 1800s. All the details are not yet complete.

North Duplin Goes To Regional Quiz Bowl

The District 7 Quiz Bowl featuring the eight high school teams from the SENC region will be held on Saturday, March 17 at 1 p.m. at the Southeastern Community College auditorium. The event will be organized and hosted by the Columbus County Public Library in Whiteville.

Each team advanced to the District competition by beating out other high school teams in the local county quiz bowls which were held earlier this year. The winning team and the runner-up will go to the State Quiz Bowl finals in Raleigh on April 14. The State Quiz Bowl finals will be partially taped for television.
