

Certificates Presented To Leadership Workshop Participants

The last of a three-part series of workshops on Organization Leadership Training was presented March 19 at the Duplin Agricultural Extension Building in Kenansville. The workshops, taught by Maurice VoLand, Extension sociology specialist at North Carolina State University, was coordinated by the Duplin AES and 26 area residents attended the series. Pictured above during the presentation of certificates are George Ammons, instructor Maurice VoLand, Lillie Sanders, Duplin AES home economists Judy Wallace and Susan Hanks. Participants in the leadership workshops included Hazel Middleton, Katie Brown,

Arthenia Hall, Mary B. Middleton, Edwin Thompson, George Ammons and Viola Moore of Kenansville; Winnie Dixon, Vivian Flournoy, Joe Carol Powell and Julia Moore of Warsaw; Susan Hanks, Ruby Brinson, Genevieve Moore, Ezzi Bryant and Kador Bryant of Magnolia; Jane Gross and Dora Jones of Pink Hill; Lillie Sanders, Susan Hanks, Janice M. Pickett, Dorothy Wyche, Pat Rouse and Daisy Dixon of Rose Hill; Davetta Herring and Ledell Wallace of Teachey; and Lillie Coyette, Lucille Hill and Wandra Frederick of Wallace.

Lenoir Kindergarten Registration

The Lenoir County schools will hold kindergarten registration during the week of April 16-29 during regular school hours. Registration will be held at all of the elementary schools - Banks, Contentnea, LaGrange, Moss Hill, Pink Hill and Southwood.

Parents (guardians) are asked to bring the child's birth certificate and a copy of their record of immunizations.

In order for a child to be eligible to enter kindergarten, he must have

reached his fifth birthday on or before October 16, 1984.

The N.C. immunization law requires a minimum number of immunizations for all children and a parent must show proof of a child's immunizations to the school principal.

The following vaccinations are required: 3 DTP (diphtheria, tetanus, pertussis) shots; 3 OPV (oral polio vaccine) doses; 1 measles (rubeola) shot - administered on or after the child's first birthday; and 1 rubella (German measles) shot.

Each child will have one month from his or her date of enrollment to supply a copy of their immunization record. Failure to meet the minimum requirements after one month will result in the child being suspended from school until the requirements are met.

"It is hoped that parents will please take time to register their kindergarten-age children during the week of April 16-20," said Mrs. Angelia M. Davis, K-8 instructional consultant, Lenoir County schools.

GLORYLAND EXPRESS CONCERT

The Gloryland Express will be in concert at Piney Grove Pentecostal Free Will Baptist Church, Route 2, Beulaville, Saturday night, March 31 at 7:30 p.m.

The group is made up of young men from Kenansville and Goldsboro who are dedicated Christians who have a musical sound that appeals to everyone, especially the youth.

The concert is hosted by the youth department of the church who will be selling barbecue sandwiches to sponsor a trip to camp this summer.

Health Fair Friday At Faison

Does an apple a day keep the doctor away? Duplin residents are invited to find out at the second annual health fair hosted at Goshen Medical Center in Faison March 30 from 10 a.m. until 7 p.m.

Goshen Medical Center is one of 40 sites established to host the WRAL/Winn-Dixie health fair in North Carolina. Last year the six-hour health fair at Goshen Medical Center was held in April and screened more than 315 people. Local sponsors for the health fair have increased to 49 which Goshen Medical Center family counselor and fair coordinator Elinor Ezzell said is 15 more than in 1984.

Each health fair site will have specific stations for free screening of blood pressure, height, weight, vision and anemia. An optional blood chemistry exam, which screens for diabetes, kidney and liver disease, triglycerides, iron and cholesterol, is available for a fee of \$8. A combination of the above blood tests plus a coronary risk profile is available for \$14. Ezzell pointed out the coronary risk profile is new to the health fair. Goshen hopes to increase the number attending the 1984 health fair and Duplin 4-H members have volunteered to distribute information flyers throughout the county.

The health fair is sponsored by WRAL-TV 5, 101-FM, and Winn-Dixie. It is based on a model provided by the National Health Screening Council and is one of 77 such health fair projects around the country.

For Low Cost Weed Control

Choose Bicep

For low cost weed control in corn, take a good, long look at Bicep. It does the job of a tank mix, and costs less than most combinations.

Bicep economically controls broadleaf weeds and grasses, and lets you rotate to soybeans. Plus giving you the time saving conveniences of a single herbicide.

Compare before you decide. You'll find Bicep is your better buy.
