LOOK OUT FOR OUR BARGAIN BASEMENT

Our big volume of business and credit rating allows us to buy goods
at the very best prices and through our bargain basement we are going to
give our customers the advantage of these prices.

prompt pay customers we will charge on our regular floors a small per cent
more for credit and delivery. In Basement we will carry an almost general
stock which is too numerous to mention, except in a general way, or to
name prices.

WE will have at all times more, or less, Outing, Calicoes, Bleached

We will make special prices on all can goods taken in doz. lots.
When you figure the freight and delivery in you cannot go on any market
and beat our prices and we do not require that you take in such quantities
as you would necessarily buy on distant markets and we guarantee safe
delivery of every can of goods that we sell. You have no claims to make
on railroads.

We name a few prices above but we have so many goods to offer that
it is not practical to go into detail.

For instance, we have a lot of drummer's samples absolutely perfect
goods that we are able to buy at special discount and will offer to the public
at strictly wholesale prices. This lot will consist of sweaters, overalls, ties,
shirts, underwear, hosiery etc.

We will present strong values on our Ten Cent Counter. The enamel
ware assortment is even stronger than is offered in the City 10 ct. stores.

We will be continually offering new goods in all departments and
every one should visit our store and see what is offered from day to day.

We expect to feed our BARGAIN DEPARTMENT with real live values
but where ever you find it in our store the quality and price will be right.

We will give away every Saturday afternoon, at 3 O'CLOCK a 42
piece Dinner Set. This costs the winner absolutely nothing.

Lynn
Mr W W Ballard has returned
home, he has been spending a few
days in Buncombe with his son, A W
Ballard.

Mr John L Eaton is going to
move to Landrum, where he has se-
cured positions for his family in the
Blue Ridge Hosiery mill.

The Misses Hendersons are pro-
gressing nicely with the school and
anticipate a public entertainment
for Christmas.

Mrs E A Westall has returned to
Lynn after a three weeks stay in
Asheville with relatives and friends.

Mr Loyd Panther of the U S Navy
stationed on the ship, Delaware at
Norfolk Va, visited his mother for
ten days. He returned to the Navy
last Friday a m.

A remarkable coincidence at the
home of Mr and Mrs W F Swann,
Thanksgiving day. Four generations
of the Swann family, D H Swann old-
est son of his family, W F Swann,
oldest son of D H Swann's family,
Fred E Swann oldest son of W F
Swann's family, and William Fred
Jr, oldest son of Fred E Swann. D
H Swann raised a family of twelve
children all living except one son.
W F Swann, a family of four all liv-
ing except one daughter. Fred E
Swann a family of two, one daughter
dead. The people above mentioned
live on joining lands.

R E Hoocker, formerly of Lynn has
moved back here he will work in the
hosiery mill.

W F Swann met with a very pain-
ful accident Friday morning while
assisting Mr Bird of Log Cabin Inn,
with a pair of mules he was severely
kicked by one of the mules, sustain-
ing bad bruises. He is confined to
his room under the care of Dr M C
Palmer, but is better at this writing.

Mr C C Constant is progressing
nicely with the new Howard Gap
and Saluda road. The people in
this section will be delighted when
they can get the view of Warrior
mountain from a carriage on a nice
drive. This will be considered one
of the best view points, west of
the Blue Ridge.

Hurray for the greater Polk Coun-
ty News.

Paint Now

If your property needs it: don't
wait.

There are two parts of a job:
the paint and the work: the work
is more than the paint.

The cost of paint is about two-
fifths; the work three-fifths.
Paint won't come-down in a hurry,
too-many jobs put-off.

Men are waiting for \$2 or \$3: they
don't know it they think they are
waiting for \$20 or \$25.

Why don't men use their heads?
