

TRYON

FOR SALE—A few odd pieces of furniture. See Mrs. John Wilcox. Mrs. W. T. Lindsey, Miss Mary Lindsey and Mr. and Mrs. C. W. Ballenger were Spartanburg visitors Monday.

Mr. and Mrs. D. P. Rhodes, of Syracuse, N. Y., are making a short stay in Tryon this year. They are, as usual, with Mrs. Thurston.

The Rev. Dr. Spencer, of Boston, Unitarian minister, will lecture at the Holly Theatre next Sunday, May 5th, at 4 p. m. All are invited.

For Sale or Exchange—One thoroughbred Berkshire boar, one year old. W. B. KRUSE, Tryon, N. C.

Mrs. Lyon is altering and enlarging her cottage on Melrose Circle. In the meantime she and her daughter, Mrs. Anderson, will occupy the house of Mrs. Chas. Wilson.

Mrs. Niemeyer has gone to her sister in Lexington, Va. Mr. Niemeyer remains in Tryon for the present, painting some of its best and prettiest views in water colors.

Every woman of Tryon should give a few hours work each week for surgical dressings for our boys "Over There." The work rooms are now open every day. Telephone Miss Viotel Bray for special information.

On account of the death of her brother, Mr. Levering, a distinguished ex-missionary in China, Mrs. Smart and her children left for their home near Chicago, on Monday. They are in hopes of returning at an early day.

On Monday, Mrs. Lightner, with her son, Theodore, left for their home in Detroit, while Clarence departed for his school in Mass., conducted by the brother of ex-President Taft. The daughters stay longer with their governess, Miss Voorhies, to be joined later, perhaps, by Mr. Lightner.

Services at Holy Cross church next Sunday will be Holy Communion at 7:30 a. m.; Sunday school, 10 a. m.; and Holy Communion and sermon 11 a. m. There will be an important meeting of the congregation immediately after the service and every member is requested to remain for it. On Thursday, May 9th, Ascension Day, there will be a celebration of the Holy Communion, and sermon at 10 a. m.

Mr. J. C. Davis, of Green's Creek township attended the bee raisers meeting in Tryon last Monday, and while here favored the NEWS with a call, leaving an order for job printing as well as renewing his subscription for another year. Mr. Davis is engaged in the raising of queen bees, and has a very enviable reputation in that line, as he prides himself on the quality of his strain of queen bees and annually expends quite a lot of money to further improve it.

Honors are thrust upon some people, and such is the case with Mr. W. F. Little, County Chairman of the Third Liberty Loan Committee. Along with every other good gift comes that of a fine son, born last Friday afternoon. James Little, the youngest heir of Mr. and Mrs. W. F. Little starts out in life in good shape, as he became a purchaser of a Third Liberty Bond at the tender age of four hours. We believe this will prove to be the youngest Bond purchaser in Western North Carolina, thus scoring one more victory for Tryon enterprise and grit.

The Third Liberty Loan Committee is under lasting obligations to the various rural mail carriers who have distributed the extra copies of the NEWS along their routes during the past four weeks. No other means could be devised whereby so many people could be reached as by placing a copy of your county paper in your hands at that time. You have been of great help to the committee and aided in no small way in placing Polk county in the list of 100 per cent counties. It has been an act of loyalty and patriotism, and we assure you has been fully appreciated.

"Right here," said a prominent citizen near the postoffice, "you can see almost any time during the day more or less than a dozen able bodied colored men loafing by the hour. I have plenty of work on my place for them, at 20 cents an hour, but I can't get one of them to tackle. As long as their women are out at work and housekeepers allow them to take home food for these loafers they will keep on loafing and jobs will go begging. Starving them is the only way to stop it." "Their names ought to be taken and published," said a Tryon woman who forbids the looting of food from her pantry.

W. S. S.— FLAG PRESENTATION.

A patriotic lady of Tryon has bought a handsome U. S. Flag for the Boy Scouts, and at a public meeting in the school house next Monday night, May 6th, at 8:30 o'clock the flag will be presented to the Scouts.

This meeting will inaugurate the War Savings campaign in Polk county. There will be a special musical program and a few short talks will be made by invited guests.

We hope everyone in Tryon will make it a point to be present at this meeting. The flag presentation services are very beautiful and impressive. Come and be sure and bring the children with you, as it will leave a lasting impression upon their minds.

W. S. S.— ANNUAL MEETING OF THE MOUNTAIN INDUSTRIES.

The annual meeting of the Mountain Industries Association will be held in the Sun Parlor of Oak Hall hotel Monday afternoon, May 6th, at 4 o'clock. There will be reports of officers, committees and of the manager.

There will be some important business to transact, like the election of officers, and consideration of the report of a special committee to consider a proposition of Mrs. Stone to purchase the business of the Industries and to run it as a commercial enterprise.

Every member of the Association should attend this meeting and have a share in the conduct of its business. Anyone, whether a member or not is privileged to attend.

Spring and Summer 1918.

The Voice of the People cries "SUPPRESS THE CRISIS"

SCHOOL ENTERTAINMENT.

Did you attend the school entertainment Friday night? Well if you didn't somebody did, for the house was well filled, and those present fully enjoyed the operetta. The acting and singing of the children, 60 in number, showed that many, many days of hard work had been expended in drilling the little folks. But to the one who did it, we wish to compliment them upon the grand results of their labor. We are informed that the major portion of the credit is due Miss Buchanan. True to all American womanhood, this lady who has a brother doing service for Uncle Sam in France desired to show her appreciation to the Red Cross work, and used this method, the proceeds going to that purpose.

At the close of the entertainment the meeting was turned into a Liberty Loan meeting. Talks were made by Dr. Taft and Lieut. Copeland, at the close of which County Chairman Little informed the crowd that Tryon lacked \$2,200 of doubling her quota, and asked for volunteer subscriptions to do that. Responses came so thick and fast that Mr. Little was unable to keep up with them. In less than three minutes the amount had been subscribed, and Tryon was entitled to a star on her Honor Flag, probably being the first town in Western North Carolina to earn it, as she was the first to earn the Honor Flag.

W. S. S.— POLK COUNTY RED CROSS.

The Tryon work rooms are open every day that the present rush of work may be completed in the required time. The gauze has been received from Atlanta, and the quota for April is three hundred gauze rolls, while that for May is nine hundred large gauze pads. Both these supplies should be finished by the end of May, and many new workers are needed. Everyone in town whether she has done gauze work before or not is urged to be at the Library either morning or afternoon. Particulars as to work and hours can be obtained from Miss Violet Bray. Remember that the thousands of men we are sending over need every care and support.

Mr. W. F. Little and Mr. B. F. Copeland have been appointed on the committee to advertise and encourage the Red Cross War Fund Drive.

W. S. S.— LIBERTY LOAN MEETINGS.

Last Friday afternoon Mrs. E. G. Holden and Mrs. B. F. Copeland, accompanied by Lieut. Copeland and Mr. Holden, held a Liberty Loan meeting at the plant of the Southern Mercery Co. After a short talk by Mr. Copeland, subscriptions were asked for, and the neat sum of \$1300 was raised in a very short time. All honor to the employer and employees of this establishment for their display of true Americanism.

Saturday noon, County Chairman Little, Mr. J. B. Hester, cashier of the Bank of Tryon, B. F. Copeland and Lieut. Copeland held a meeting at the plant of the Tryon Hosiery Co., at 11 o'clock. Mr. Little called the meeting to order, and after short talks by Mr. B. F. Copeland Lieut. Copeland and Mr. Hester in the order named. When the talking had ceased sub-

scriptions were asked for, and \$950 were taken.

We are glad to report these two meetings, for it shows that the working people of the country had become thoroughly aroused and determined that they would do their duty.

W. S. S.— MEN WANTED FOR Y. M. C. A.

We are in receipt of a letter from Y. M. C. A. headquarters stating that they are very short of men, and in dire need of them. An extract from the letter reads:

"We need men for the home service as well as overseas, although the latter are most necessary. No man can be used who is under thirty-one years of age or of military capabilities, except one visibly incapacitated for actual combat service. It is not necessary that a man be a clergyman or some one highly educated. There is a place for the average man if he is earnest in his desire to serve and has acceptable character qualifications."

If any reader of this paper who can qualify and wishes to enter this service please send your name to us at once.

W. S. S.— REAL ESTATE TRANSFERS.

TO NEWS READERS. During the past four weeks we have been able, by the help of the Third Liberty Loan Committee to send out a large number of extra copies of the NEWS, putting it in the hands of most families in Polk county. This is the last number that you who are not regular subscribers of the paper will receive. You have become acquainted with us to a certain degree during the past four weeks, and can see just what kind of paper we are publishing. We feel quite sure that you cannot complain at the amount of news contained in our columns, either general or home. We would like very much to have every person who has received these four issues to become regular subscribers. It is the only way in which you can keep up with the happenings of the county. Hardly a section of the county but what is represented every week by a newsy letter, giving you the news of your own little locality. Don't you think you owe it to your family to continue to receive the paper? Do you know of any other investment that will give you as good returns as a year's subscription to the NEWS? Send us \$1.50 and receive 52 copies of the NEWS. W. S. S.— We will handle a full line of can labels this year, and are in position to make you as good prices on labels as the manufacturer. We will print the name of the contents, together with the name of canner and also your farm, at very modest price. Come in as soon as possible and look over our samples and make your selections, as it will be impossible to secure anything like the varieties you can by placing your orders now.
